

## **The Laws of Sage Thomas Eidsaa. 17.12.2018**

Yitzhak Kaduri, a Mizrahi Haredi Jew, and one of Israel's most prominent rabbis, predicted that "the messiah will come shortly after Ariel Sharon's death. The last years of his life; he dreamt exclusively about the messiah. A few months before he died, he wrote the name of the Messiah on a small note which he requested would remain sealed until one year after his death. When the note was unsealed, it revealed what many have known for centuries: Yehoshua, or Yeshua (Jesus), is the Messiah.

With the biblical name of Jesus, the Rabbi and kabbalist described the Messiah using six words and hinting that the initial letters form the name of the Messiah. The secret note said:

*Concerning the letter abbreviation of the Messiah's name,*

***He will lift the people and prove that his word and law are valid.***  
*This I have signed in the month of mercy,*

*Yitzhak Kaduri*

The Hebrew sentence (translated above in bold) with the hidden name of the Messiah reads:

*Yarim **Ha'Am** Veyokhiakh Shedvaro Vetorato **Omdim***

## **The Laws, and theology of Christian Conservatives of Societas Christi.**

### **Conservative theology.**

I myself am a conservative Christians. This is aimed to be a biblical book. All my other works are for interest only, but this is the official theology of the Societas Christi.

### **Mass statements of belief.**

I believe Jesus is the true "son of man/Orion messiah" (the REAL Lucifer sun-god) the Redeemer, but *not Satan Lucifer who is a counterfeit* described otherwise in the Bible.

I believe in the mazzaroth, and heavenly scoll in Revelations 1:1- Revelations 22:16, Jesus astrological birth in Revelations 12, John 8:12, 1 Peter 2, Matthew 17: 1-13 , Matthew 4:1-11, Matthew 26:26-28, John 10:11 , John 1:29 , Isaiah 60:1 , Isaiah 9:2 , Isaiah 19:19 , Isaiah 52:12 , Isaiah 41:14 . Jesus as lamb of God, the true vine where we are the branches, his life and miracles, and the crucifixion, and ressurection story.

I believe the first time God reveals Himself to Moses is the Truest name of God in the Bible, namely "Eheyeh Asher Eheyeh".(Exodus 3:14)

I believe in One God (Malachi 2:10, Mark 12:32, Romans 3:30,1Corinthians 8:6, Ephesians 4:6,1Timothy 2:5, James 2:19)

I believe Jesus is the Son of God, and the image of the Father John 20:31 John 14:19

I believe Jesus is The Head of the Church (Acts 4:10-12,1Corinthians 11:3, Ephesians 1:22,23, Ephesians 5:23,Colossians 1:17-19,Colossians 2:10-19)

I believe Jesus is The High Priest (Hebrews 2:17, Hebrews 3:1, Hebrews 4:14-16, Hebrews 5:10, Hebrews 7:25-28, Hebrews 9:11-14)

I believe Jesus entered through the veil into the Most Holy, all alone (Holiest of all) in Heaven, once and for all, when He sacrificed Himself on the tree, and by His own blood are we now saved through grace and faith (Hebrews 9:1-28, Hebrews 10:1-39)

I believe in the Priesthood of all true Christians (1Peter 2:9,10, Revelation 1:4-7)

I believe in keeping the Jewish Sabbath (Genesis 2:1-3,Exodus 20:8-11,Isaiah 56:6-7,Matthew 12:8,Luke 23:55-56,Acts 13:14,Acts 16:13,Acts 17:2,Revelation 11:19)

I believe all foods are clean (Genesis 9:3-4, Mark 7:14-23, Acts 10:9-16, Colossians 2:16-19)

I believe in keeping the NT laws, and the great comission. Acts 15:20 Mark 12:30 Matthew 28:19

I believe in scriptural church-life. 1 Chorinthians 14:26 Philippians 4:4 Acts 2:42-47 James 5:13-16

I believe in Scripture as Authority of the Supreme Christian Church (2Timothy 3:14-17), **God Alone** (1Corinthians 10:31,1Peter 4:11,Revelation 1:6,Ephesians 3:21,Revelation 7:12), **Christ Alone** (1Timothy 2:5-6,Colossians 1:13-18), **Spirit Alone** (Romans 8:1-7, Romans 8:14,1Corinthians 2:10,1Corinthians 3:16,1Corinthians 12:13,2Corinthians 3:17,Galatians 5:5,Ephesians 2:18), **Love Alone** (Romans 8:39,Romans 13:8,Galatians 5:6,Ephesians 1:4), Grace Alone (Ephesians 1:2-12), Faith Alone (Galatians 3:6-11)

I believe the pope of Rome, Islam, and Rothschild communism is The Antichrist (Daniel 7:7-27,2Thessalonians 2:1-12,2Peter 2:1-22,1John 2:18-25, Revelation 13, Revelation 16:13)

I believe Rome, and Mecca is 'Mystery Babylon the Great the Mother of Harlots, and Abominations of the Earth' (Revelation 17:1-18).

I believe we live in the age of the second beast from the earth, and that the beast is Talmudic Judaism, America, Islam, and Yahweh Christos resurrected from the Turin shroud "image of the beast" being crucified as an abomination, and that Jesus cross is holy. Revelations 13:11-18

(more on this in the chapter of Revelations)

I urge every true Christian to come out of these three beasts, and start independent societies. (Revelation 18:1-8)

I believe in the integration of all churches through the prayer of Jesus. (John 17:21)

**I still believe in the usual, catholic-protestant mass-statement of belief:**

I believe in God, the Father almighty,  
creator of heaven and earth.

I believe in Jesus Christ, God's only Son, our Lord,  
who was conceived by the Holy Spirit,  
born of the Virgin Mary,  
suffered under Pontius Pilate,  
was crucified, died, and was buried;  
he descended to the dead.  
On the third day he rose again;  
he ascended into heaven,  
he is seated at the right hand of the Father,  
and he will come to judge the living and the dead.

I believe in the Holy Spirit,  
the holy Church,  
the communion of saints,  
the forgiveness of sins,  
the resurrection of the body,  
and the life everlasting. Amen.

Here comes the truest rendition of the Lord's prayer as it should have been, and was prayed by Jesus who spoke aramaic.

### **Our Lord's prayer translated into nazarene 1<sup>st</sup> century aramaic:**

*Oh Thou, from whom the breath of life comes, who fills all realms of sound, light and vibration.*

*May Your light be experienced in my utmost holiest.*

*Your Heavenly Domain approaches.*

*Let Your will come true - in the universe (all that vibrates) just as on earth (that is material and dense).*

*Give us wisdom (understanding, assistance) for our daily need, detach the fetters of faults that bind us, (unforgiveness) like we let go the guilt of others.*

*Let us not be lost in superficial things (materialism, common temptations), but let us be freed from that what keeps us from our true purpose.*

*From You comes the all-working will, the lively strength to act, the song that beautifies all and renews itself from age to age.*

*Sealed in trust, faith and truth.*

*(I confirm with my entire being)*

### **My path towards enlightenment.**

From I first started school, I was always protecting the weak. I earned the teachers love, and respect for integrating all the outcasts at school. I knew what it was like to be different. I would protect my friends, the immigrants, and my girlfriend! I was the first kid in class to have a girlfriend.

When I reached puberty, I was already fully mentally grown. I probably cared more about politics than anyone in town, and discussed the news for two hours every day in class. Mostly monologue. As I became mentally disturbed the year

after, it is hard for me to think back on what I lost. For I, the Buddha started my path.

I first sought the path of wisdom throughout all elementary school. I was an incarnate ascended master, and could preach endlessly on all Christ`s parables which I read every night. Wisdom puts oneself low, connects with nature, and helps the weak AND strong. Wisdom is a diplomat. I was called "the diplomat" by the teacher, and of all the 600 children in school, I certainly was the one who climbed the most trees, and spent the most time in the forest nearby. Along with my girlfriend.

But as I grew enlightened, and reached puberty: I saw the corruption of the world, and was frightened to death. I then followed the path of power for 1 year, attaining much knowledge of how to change this world, and basically save it, but that was not the path for me.

I then sought the path of the Buddha. The path of my childhood, and the path of Jesus. This is the path of self-denial, loosing all desires, loosing all ego, and attaining satisfaction through the middle-path. Living a normal life. For the corruption, and ignorance of the world was terrifying, and I decided the people were unworthy of my teachings. I would not step up to be the Christ I knew I was. Life was terrifying, and I knew something was off.

This became a path of loneliness, and the before-mentioned cycle of hatred. It led to depression, *sloth*, and eventually extreme spiritual death and ignorance. Yet I was not sleeping. Only acting. Only following my path of wisdom. For the teachings of Jesus, and the Old Testament is that of the Buddha. Of putting yourself low, being faithful in tiny details, and let the elders speak first. Yet all ignored me. My path was wisdom. Their path was ignorance, envy, ego, corruption, conspiracy and oppression. I was alien. They were earthlings. They mocked me, and I knew it. I just took it, acted accordingly to their perceived ideas, and decided this world did not deserve a savior. Yet I was not asleep. My path, and philosophy is recorded in diaries I kept writing every week from I was 13. I knew I was an enlightened sage, and quit school. My lifelong dream was to be a world-teacher and civilizer. When would they repent?

But they did not repent, nor did they understand the Buddha, the alien prince from Heaven. Instead: They all fledged to the dark-side, and viciously attacked me in the biggest disgrace of modern history. I played their fool all along.

It was a test to me. I had already passed judgement, and realized our difference when I was 9. *Everything since then was a test of their species as enlightened*

*master*. When would they love me? Would they see me? I was very curious. I knew they were worthless ego's without souls, but... When would the path of pain end?

Throughout this path: I became, and discovered all darkness, and the reality of life: Death, disease, mental illness, poverty, despair, depression, and all pain. Just as I had sought to find. It was all because my accusers weren't enlightened.

Then followed the dark night of the soul. I had 6 years of losing everything. The terror a single day of these years is too terrible to even speak.

But then I rose, and chose to be prince Buddha. I returned to my childhood conscience of Christhood, and found bliss. Why? For I had lost all lust, all carnal desires for wealth, fame, money, success, popularity, and had not watched porn, or movies for years and months. Pain is a teacher, and it taught me to shed all temporary assets, and earthly emotions. I would dedicate all my time, and money to selfless service, book-writing, and enlightening the public. I started evangelizing almost every day.

It was when I sat down to analyze my life that I discovered the same as the Buddha before me, and returned to my preincarnate, childlike state of a content, loving, enlightened master with a huge pink aura. *I had not been myself since I was a child, and fell ill after discovering the conspiracy*. I had frozen in a prison of *shame, fear, and hopelessness* over never daring to start climbing the towering *wall of complexities*; every stone representing a problem, or accusation against myself. I discovered I had gone through a middle-age-crisis of depression ever since I became enlightened as a child! I had since gone through life in distress without finding a single likeminded friend, or connecting to any church or family. I followed my path to the end. The only friends I ever had were some jews that adopted me in 2012. But I have always considered all of humanity my children and family.

I now have experienced all Gods, all mental states, all pain, and all bliss as I had chosen zealously: To test them out, and follow the path of Pain formerly mentioned in the Lucifer effect.

### **The path of Buddha**

My spiritual liberation unto heaven after the dark night of the soul left me enlightened with no anger, no lust, and no sadness. I had surrendered everything to God, death, and accepted the inevitable. I no longer had even the slight urge to defend myself in speech, or win an arguments against liars and hypocrisy unlike any other I've met. I had become peace, love and light. The innate

enlightenment through knowledge gave me bliss so that even if the entire world slandered against me, I could not harm me even if I was the only one who believed in myself. My of contentment, and mystical union with God, my self, and the universe led me down the same path of the Buddha. I had lost my princely kingdom so to speak. Just as the Buddha lost his kingdom for the sake of enlightenment. But I had found blissful contentment in the daily gifts God bestowed upon me. The garden. The weather. Prahna. Mystical union with the all: God: The ether. Source. The ability to help others far exceeded any urge I had previously had, and pain had trained me to focus all my energy for the sake of humanity so I no longer even had the slightest sexual urge, or any unclean thought for months.

Matter is death, but the world is dualistic. Yin-yang. The middle path is good for man, and thus I was enlightened, and created the enlightened law of Love and Light. but I had obtained Nirvana:

For to the devotee; *it is spirit that truly matters*. I am *not* kidding. Follow in mine, Christs, and other bodhisattva`s footsteps, and be enlightened. May the knowledge of Jesus in this book, and the truth of the scriptures be revealed to you: So your mind turns to blissfull light, and unites with the universe in this age of Aquarius.

Be serious as generals in your fight against evil; realized through the experience of pain. And at the same time: Be like a *happy, loving, unspoiled, and wise* child. For if you do not become like children, you cannot enter the heavenlies... So said Jesus.

It was in 2016 I first became enlightened, and rediscovered the meaning of life: Karmic recuperation. I knew not of Buddhism at the time, but looked on the Lucifer mystery of what Jesus did on the cross and said: THAT is the greatest historical example of anyone paying/escaping karma, and was fully enlightened ever since.

Although Buddhism stresses the escape from karma and reincarnation, I do however not believe in reincarnation. Only those who live outside the knowledge of Jesus, and the previously discussed covenants of judeo-christendom might reincarnate. It is however true that all that goes around, comes around, and there is reincarnation. Of soul *aspects* yes. For this universe is an electric, duplicating fractal matrix. What evil, or good you do in life *will* affect others.

Would it not be wonderful if we could start a monastic village, and all wear kimonos?

I would follow, and practice my religion if I could, but I am in a bind, and must walk the middle-way. The golden middle-way is what we enlightened sages say is wise for the every-day man. It lies *between* spirituality (carnal detachment) and materialism (carnal enrichment). I have already miraculously *followed these eight steps* most of my life, except from being a Buddhist monk, or doing the Buddhist meditation. Perhaps I will continue, unless I meet a potential spouse. These are however the eight steps to reach physical detachment.

From Wikipedia: The eight Buddhist practices in the Noble Eightfold Path are:

1. Right View: our actions have consequences, death is not the end, and our actions and beliefs have consequences after death. The Buddha followed and taught a successful path out of this world and the other world (heaven and underworld/hell). Later on, right view came to explicitly include karma and rebirth, and the importance of the Four Noble Truths, when "insight" became central to Buddhist soteriology.
2. Right Resolve: the giving up home and adopting the life of a religious mendicant in order to follow the path; this concept aims at peaceful renunciation, into an environment of non-sensuality, non-ill-will (to loving kindness), away from cruelty (to compassion). Such an environment aids contemplation of impermanence, suffering, and non-Self.
3. Right Speech: no lying, no rude speech, no telling one person what another says about him, speaking that which leads to salvation;
4. Right Conduct: no killing or injuring, no taking what is not given, no sexual acts, no material desires.
5. Right Livelihood: beg to feed, only possessing what is essential to sustain life;
6. Right Effort: guard against sensual thoughts; this concept, states Harvey, aims at preventing unwholesome states that disrupt meditation.
7. Right Mindfulness: never be absent minded, being conscious of what one is doing; this, states Harvey, encourages the mindfulness about impermanence of body, feeling and mind, as well as to experience the five aggregates (skandhas), the five hindrances, the four True Realities and seven factors of awakening.

8. Right *samadhi*: practicing four stages of meditation (*dhyāna*) culminating into unification of the mind.

The Pali term *ariyo aṭṭhaṅgiko maggo* is typically translated in English as "Noble Eightfold Path". This translation is a convention started by the early translators of Buddhist texts into English, just like *ariya sacca* is translated as four noble truths. However, the phrase does not mean the path is noble, rather that the path is *of the noble people* (*arya* meaning 'enlightened, noble, precious people'). The term *maggo* (Sanskrit: *marga*) means "path", while *aṭṭhaṅgiko* means "eightfold". Thus, an alternate rendering of *ariyo aṭṭhaṅgiko maggo* is "eightfold path of the noble ones", or "eightfold Aryan Path".

/

This is the noble path of the aryan people. The high-caste of Earth population as exemplified in the hinduistic belief where we once ruled, and created the hindu religion. *The Aryan path is exemplified in the peaceful, loving, non-aggressive statistical behavior of the native aryan-european populace.* Our sexual crime rates are still 10-1 compared to muslim immigrants in all Scandinavian countries. It is time the people of the light remembered who they are, and where they came from. The indo-european descendants of civilized Atlantis. Whileas the muslims believe in despotic, inhuman laws, and medieval forgeries of the Judaic religion: We civilized beings use our brains, and believe in love and light.

The question arises: Is there meditation in scripture, and ancient judeo-christian practice? Yes, even in the liberal Pentecostal movements of today! Just google meditation in the Bible, or do a search on "soaking."

For scripture encourage us to fast, meditate, and "pray without ceasing."

In general: The Bible tells the jews meditated upon God`s word. History tells both ancient jews, AND christian mystics (early church-fathers) meditated for prolonged periods of time. Why? To reach mystical union with God through meditating on His word, His love, His beauty of creation, and filling yourself with this until you reach mental, and spiritual bliss. Some of these church fathers were even seen emerging with glowing bodies emitting light!

Although we are free in the Holy-Ghost mercy covenant; not all people are naturally inclined to civilized behavior. That is why codes, and laws like that of Buddhism, and the ten commandments are necessary; unless all are ethically homogenous through love and light so anarchy could work. Salvation comes through a personal relationship to Jesus, God, and the saints through *ascending conscience* via the Holy-Ghost mercy covenant, but there still must be laws for

*peace*, and *order* in any society. Of course there must be laws! So what *Christian* laws are there for the world today? I have written extensively on the subject, and there is much controversy among theologians, but I have prayed over this, and present to you the 15 combined laws for all believers. I think most theologians would agree on this one.

Although salvation comes through a personal relationship to Jesus, God, and the saints through ascending conscience through the Holy-Ghost mercy covenant, there still must be laws for peace, and order to function. Of course there must be laws! So what laws are there for the world today? I have written extensively on the subject, and there is much controversy among theologians, but I have prayed over this, and present to you the 15 combined laws for all believers. I think most theologians would agree on this one.

### **Warning against sin.**

Many say "you can sin as much as you want, and still go into Heaven!" Yes this is true. Yet only if you never sin against the Holy Spirit; your reborn will. Your higher self. What I am saying is that you must never stop the sanctification process, or abandon Jesus in your heart when you first have gone down that road of being a devote religious observer. St.Paul is clear about that. That would be spiritual dishonesty towards yourself! In essence: NEVER CONVERT RELIGION OR DENY CHRIST WHENCE YOU BECOME A CHRISTIAN!

Then: As long as you live true to your will, and heart in faith: You should be safe as long as you are pure in spirit while sinning. That means: IF your spirit flies from something sinful that bothers your heart: LEAVE IT IMMEDIATELY!

This is especially important if you are being adulterous, and feel something magical going on that warns your spirit during the sex act. Remember! Sex is becoming one! In general: Stay away from unclean spirits, and you should be safe. I want you to reach Heaven, yet still be happy in your life! I will therefore go deep into all laws of the Biblical Christian. So you can be safe, and decide the right thing to do! Hell is below, and the law is a good choice to keep us absolutely safe: even though we non-jews are not under the law, but a new species in Christ. Remember! It is always better keeping more laws than keeping less. Does not Jesus say: Love God with all your heart, all your soul, and all your strength? Love for God is *also* loving the law.

**WARNING!** I myself was a great sinner, and almost abandoned my faith. I thus testify of the great danger of leaving faith just like Moses knew what was sin from being raised in a dark, magical household! I know what is sin, and am here

to help you! I'm the greatest sinner! Still I tell you: EVEN if one poor soul comes to our church, confesses he fell completely from grace, and wants to return: Keep the doors open. Even if he is possessed: keep the doors open. Lately I will tell you this: If there is ONE thing to learn from my life, it is God's mercy. Yet all this is why Jesus specifically says: Those who blaspheme against the holy spirit shall not be forgiven. I never did that. Yet know: One could also interpret His words as those who sin against your inner Holy Ghost, or sanctification process shall not be saved. Never sin against your heart, true will, or inner self! I almost did it, and I was BROKEN for 7 years! I'd rather not explain. For the sake of safety, and love of God: I dedicated myself to find the true, eternal laws of humanity and civilization. You should try to live by them in the sanctification process.

Did you know there are seven commandments in the New Testament?

### **The seven commandments of the New Testament:**

Law 1 – Love the Greatest Command

#### **Luke 10:27**

“He answered, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, 'Love your neighbor as yourself.”

#### **John 13:34-35**

“A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another.”

Law 2 – The Greatest Sin

#### **Matthew 12:31**

“And so I tell you, every kind of sin and slander can be forgiven, but blasphemy against the Spirit will not be forgiven.”

Law 3 – The Outreaching Civilizer

## **Matthew 10. Matthew 28:19**

“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost”

Laws 4, 5, 6 & 7. The absolute apostolic commandments to the initiates and heathens.

**Acts 15:20** “But that we write unto them, that they abstain from pollutions of idols, and from fornication, and from things strangled, and from blood.”

Idols mean all idolotry as f.i the television (tv SET), pornography, pop-stars, posters, images, and other deities other than God himself. One is allowed to venerate saints, but not as Gods. More like a friend whose emotion/anointing you treasure. We seek to have such oracles of God (saints) whom live holy before the Lord constantly so as to bring Heaven to Earth, or “raise christ conscience” as some would say as to keep the anointing, and the body together. I got this personally from the Lord.

### **Noahide laws:**

As a christian who experienced problems with evil, I personally advocate to fill your hearts with love, love, and LOVE for God`s commandments as it gives us such INCREDIBLE blessing and sustenance. If He calls you to be one of the 144.000 messianic jews; I would chose to obey the mosaic laws I will mention later.

The jews have their own laws to the gentiles. According to Jewish tradition, the first six of these seven laws were given to Adam in the Garden of Eden (the sixth law, to not eat live animals, was extraneous, since Adam did not eat any animals). When God established His covenant with Noah, He added the seventh (and the sixth became applicable). Each of the seven Noahide laws is seen as a summary of more detailed laws, about 211 total.

Adam was not allowed to eat the flesh of a living animal in scripture. The only other place in Scripture where a Noahide law might be mentioned is Acts 15:29. The context of this passage is the Jerusalem Council, which met to address the issue of the Gentiles’ place in the early church. Specifically, the question before the council was, “Must Gentiles be circumcised according to Mosaic Law in

order to be saved?” (see Acts 15:1). The apostles in Jerusalem answered with a resounding “no.” We are not saved by keeping the Law (see Galatians 2:16). However, to promote peace within the early church, the council advised Gentile believers to avoid four things, including the eating of “blood” (verse 29). None of the other three instructions correspond to any of the Noahide laws.

As an ancient moral code, the Noahide laws have been a major influence in many cultures. In fact, in 1991, both houses of Congress passed a bill, signed into law by President George H. W. Bush, that declared the Noahide laws to be “the bedrock of society from the dawn of civilization” and the “ethical values and principles upon which our great Nation was founded”

The jews believe that when all jews live according to law, and all heathens believe in the seven noahide given to all sons of Noah; the messiah will appear on the Earth! They believe that until this happens: all potential messiahs will fail! You see? The road is paved for our success! Why? Because the seven noahide laws are easily summerized in our pre-existing beliefs as Christians if you combine them with the seven laws of the new testament! This is all the Bible tells us heathens to follow. We will discover the true religious path for both jew, and non-jew. If only we christians, and jews could learn from each other, and unite the world in humanism: all will basically follow the noahide moral concept, and the kingdom of the Christian Israel could possibly be restored! The messiah would appear!!! Amen!

The seven noahide laws, as traditionally enumerated are:

1. Do Not Deny God
2. Do Not Blaspheme God
3. Do Not Murder
4. Do Not Engage in Incestuous, Adulterous or Homosexual Relationships.
5. Do Not Steal
6. Do Not Eat of a Live Animal
7. Establish Courts/Legal System to Ensure Law Obedience

A heathen who follows the Noahide is called a righteous heathen, a hasidic heathen, or simply Noahide. Jews believe such heathens await a reward in their afterlife. God put the Noahide laws on my heart, and told me they are valid. The

first time I heard of them was one night in Jerusalem where a friendly Jewish couple invited me in for some tea at the Sabbath to complete some tasks they could not.

## **The ten commandments**

I bet you are pretty familiar with the ten commandments. I recommend you follow the ten commandments, but it's not obligatory.

### **Exodus 20:1-17**

And God spoke all these words:

“I am the LORD your God, who brought you out of Egypt, out of the land of slavery.

Law 1: You shall have no other gods before me.

Law 2: You shall not make for yourself an image in the form of anything in heaven above or on the earth beneath or in the waters below. <sup>5</sup>You shall not bow down to them or worship them; for I, the LORD your God, am a jealous God, punishing the children for the sin of the parents to the third and fourth generation of those who hate me, <sup>6</sup>but showing love to a thousand generations of those who love me and keep my commandments.

Law 3: You shall not misuse the name of the LORD your God, for the LORD will not hold anyone guiltless who misuses his name.

Law 4: Remember the Sabbath day by keeping it holy. <sup>9</sup>Six days you shall labor and do all your work, <sup>10</sup>but the seventh day is a Sabbath to the LORD your God. On it you shall not do any work, neither you, nor your son or daughter, nor your male or female servant, nor your animals, nor any foreigner residing in your towns. <sup>11</sup>For in six days the LORD made the heavens and the earth, the sea, and all that is in them, but he rested on the seventh day. Therefore the LORD blessed the Sabbath day and made it holy.

Law 5: Honor your father and your mother, so that you may live long in the land the LORD your God is giving you.

Law 6: You shall not murder.

Law 7: You shall not commit adultery.

Law 8: You shall not steal.

Law 9: You shall not give false testimony against your neighbor.

Law 10: You shall not covet your neighbor's house. You shall not covet your neighbor's wife, or his male or female servant, his ox or donkey, or anything that belongs to your neighbor.”

Every christian should love God with all his heart, and through empowerment of a loving relationship to God inherit love for his guidelines. Keep thus the ten commandments although they are strictly speaking only for the jews. I find it strange that the third commandment is not mentioned among the New-Testament laws of the apostles. I would personally like to add it as an eight.

### **The 15 combined laws.**

With a loving relationship with Jesus free from sin, comes the love for God, and his laws. This is natural. But are we under the laws? No! We are under a new mercy covenant as St.Paul realized! It is up to every church, and every person to decide for themselves what is the will of the Holy Spirit, and how not to sin against your salvation. Most Pentecostal churches preach of something called the “sanctification process.” This is very biblical, and goes as follows: As we live our Christians lives in the Holy Ghost, we come closer to Heaven, and we know there is no sin in Heaven. We should therefore prepare, and be worthy of Heavenly citizenship. *That is the greatest argument as why not to sin.* Ask: How is it in Heaven?

Luckily; I have found a great combination of laws. The Noahide laws are old-testament laws given to all heathens outside the Abrahamic, and Mosaic covenant. These still count a blessing for us today, and many are the same as the 10 commandments. And then you have the laws of the new testament which also, miraculously are seven in number. The Bible is always perfect.

Not committing adultery, and some of the ten commandments are for many people much harder than simple dietary laws because of sexual hormones.

If you put the laws of the New Testament, the ten commandments, and the Noahide together; you get 15 laws for us non-jewish christians which I name here. This is up to everyone to pray about themselves.

New Testament laws:

Law 1 – Love, also called the Greatest Command by theologians.

“He answered, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, 'Love your neighbor as yourself.” **Luke 10:27.**

“A new *command* I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another.” **John 13:34-35.**

#### Law 2 – The Greatest Sin

“And so I tell you, every kind of sin and slander can be forgiven, but blasphemy against the Spirit *will not be forgiven.*” **Matthew 12:31**

It is very hard for us that this law exists. It certainly qualifies as a law. But what does it mean? There are many near-death experiences of people like us. And just like we do sometimes think too loud about a stupid fellow christian, or say “that was embarrassing”, these NDE people come to Heaven. Direct satanic hate, and attack against God’s holy spirit which is history’s greatest gift, and a priceless free-ticket to heaven can not be forgiven? Apparently not.

#### Law 3 – The Outreaching Civilizer

“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost” **Matthew 28:19.**

#### Law 4 – Forgiveness

“For if you forgive other people when they sin against you, your heavenly Father will also forgive you.” Is this a **Matthew 6:14.** Also read the parable in Matthew 18:21-35.

Laws 4, 5, 6 & 7. **Acts 15:20** “But that we write unto them, that they abstain from (eating what’s sacrificed on pagan altars, and having pagan altars or Gods) *pollutions of idols, and from fornication, and from things (food) strangled, and from (drinking) blood.*”

Laws 8-10 from the 10 commandments:

Law 8 - Honor your father and your mother.

Law 9 - You shall not bear false witness against your neighbor. (slander, accuse, and lie about. With neighbor means everyone else.)

Law 10 - You shall not covet.

Laws 10-15 from the Noahide laws:

Law 11. Do Not Deny God

Law 12. Do Not Blaspheme God

Law 13. Do Not Murder

Law 14. Do Not Steal

Law 15. Establish Courts/Legal System to Ensure Law Obedience

### **The greatest commandment:**

As we touched upon at the beginning of this book and chapter; love is the greatest teaching we learnt from Jesus words and life. Love, and the unwritten laws that come with it must be the foundation of the western-humanistic core values for a future, global, and peaceful civilized world.

The apostle St.John said only two words in his last speech: "Love each-other". St.John was incredibly enlightened, wise, and scholared – beyond any doubt. If humanity would drop all they have, and only focus on learning to love, they will have come a long step further in their evolution; keeping this world without war for as long as possible with a common outcry for peace as the cabal is exposed while we scream; we are humans; we are love! If we only focus on building a warm global society of universal morals; co-existing in Love, and light/enlightenment; we can even end war forever..

Love, and light is a new-age catchphrase which means in essence means teaching through love! Love sweeps away ignorance, and this light shines forth truth to undo the illusions. Although we are loving, we show no restraint in anger towards hippocratic, and idiotic ideologies whose followers go to their graves as with f.i Islam which is unreformed, and medieval compared to our great human accomplishments through the graeco-roman-judeo-christian reforms leading to a basis for co-existing; the humanistic values; love.

Remember what Solomon said. Fear, and love for God is the way to wisdom. This wisdom makes us recognize our fallen brothers, and it`s love gives us the courage to confront them in the image of how our heavenly father lovingly

confronts us with our sin. We must love the sinner/heathen, yet hate the false ideologies that bind them! We must unite them to God for God so loved the world that he sent his only son to die for us.

### **The three laws of the Aquarian Age – as if Moses returned.**

We all agree that Moses could not have foreseen the technological advancements of our time. His laws fall short of our time since they don't address the dangers of technology. And it will only get worse.

The scalar, and electromagnetic spectrum let`s man control the human brain, weather, earthquakes and volcanoes.

Physics made weapons that could erase all life on the planet 100 times over. The nuclear bomb.

Genetics made it possible to be creators ourselves, clone even human individuals, or make new lifeforms. The reason Jesus died on the cross was to atone for the sin of homo sapiens sapiens. The devil will do everything to corrupt mankind`s dna which was delivered on the cross. Jesus delivered us from the fall, when perhaps the Serpent meddled with human DNA, and made giants like the Nephilim. Thus there are alot of chemicals, and sciences that are treyf/non-kosher to put it mildly.

Mankind grew to potentially deforest rainforests, destroy the environment, and endanger species. Mankind poison it`s own food, air, and have sinned greatly against the Creator. They created mega-corporations like Monsanto who monopolize God`s creations like seeds, and kill the bees. They even gene-modify crops, and have done it for a long time. They monopolize even water, which is poisoned.

What would Moses have said if he returned today... You must WAKE UP! You are the prophets of tomorrow! The Biblical narrative never ended, and will never! There is no other than you! YOU must be responsible as the descendant

of Adam, God`s gardener, and take care of His creation. Our first task by God was to nurture the garden. Not to alter it, and enslave man, beast and seed!

As a descendant of David, I prayed, and felt led to take it upon myself to start something in spirit: Creating laws that others must complete.

*Aquarian law 1: Homo Sapiens Sapiens is Holy.*

You shall keep yourselves holy, as the body is the temple of the Lord, and thus not directly meddle with God`s intended biology of homo sapiens sapiens.

No meddling with a human either through spreading of internet lies (slander) , surveylance, scalar-waves, electromagnetic waves like microwaves , electronic implants, brain-altering chemicals in medicine, nor air-polutions. Nor shall you in any way alter the dna of mankind!

*Aquarian law 2: God`s ordained Creation is balanced, unfathomable and holy.*

God is the Creator, and is perfect. He forbade Babylon. You shall threfore not change, endanger, or monopolize any of God`s creation in a covetous fashion for the gain of money, power, in a recreation of Babylon.

The way cultures, nations, corporations, and individuals monopolize gold, print paper money, and gives mankind ID numbers is not on par with any religious sense, or biblical form of governance (theocracy, messianic monarchy or survivalism) This includes not changing the weather with bad intent. I also FEEL like abortion, and selective abortion must be prohibited if the country-laws, or person is a Christian. Creating a Babel`s tower mass of mongrels, and secretively destroying ehtnicities, and ethnic cultures is against planetary logic of harmonic plurality, and the Bible.

So we see that nation-states, and all it incorporates is very questionable, and should be avoided for the creation of a better future alternative way of sustainable nation-state living. We basically need just ONE foothold on Earth as of now.

*Aquarian law 3: War is forbidden.*

Warbroking tyranny, financial tyranny, war, and armaments are forbidden.

Killing is strictly forbidden. Did I not Moses tell you in the 10 commandments? You shall not murder or covet! Mankind historically warred for many reasons like ethnic-religious pride, resources, and to defend themselves. The latter is the only reasonable form of violence, but not in an information-age of mass communication where mass awakening, and homogenous ethics is simple from diplomacy. War is forbidden, and is today: Only a construction to savor corporations.

And that is it.

Ask yourself. Are you still human? God`s creation? His beloved son of Adam; the faithful gardner, and divinely entrusted safekeeper of Earth?

We do not know at which point a celestial intervention might occur, and we have no prophets, or reliable contact with the heavenlies other than vibrational ressonance primarily through synchronizing with the heart aspect through the ascended Jesus.

We have no idea.

Darkness fell on Atlantis in a single day. Myth has it Michael descended. Myth has it Gabriel destroyed Babel.

Heaven is real guys. Take precautions, be responsible, and ally with the final victor.

All we know is that after the piscean reign of the Vatican 1000 years; the nations will war at Armageddon - the Magog war - when Satan is released from it`s prison.

Which might be right around the corner surrounding 2012, and Christ`s potential return.

The next chapter tells us doomsday follows this event, although the authenticity of St.John`s Revelations can be questioned, a book which I personally condemn for it`s use in the devil`s work of herecy, and spreading of fear and confusion.

Especially surrounding the so-called antichrist figure; which is now a myth no longer has rooted in the original meaning of that chapter.

### **The metaphysical law of God=Love + Light=God.**

*You just read it. God=Love+Light=God.*

*This is the metaphysical arithmetic to the symbiosis of all.*

The creation of life, and ethical code in this universe can be summarized in one paragraph to meditate upon. This is the unified theory of principles in science, philosophy, religion, ethics and morale:

*The symbiosis of all life can metaphysicall be eqated: God=Love + Light=God.*

*God=life. The circle of life starts with 1.Sunlight, and continues with 2.Reproduction. Love and light. I tend to say; Light gives us form (f.i photosynthesis), and Love keeps us in form. Light makes life possible, while love keeps the circle of life going, but it could not have started if it was not for God`s representation as creator: The Divine Sun: The Creator from/in the Heavenlies. Light is God`s sun/son visible, sometimes incarnate in the universe. Which created us/life. The Son/Sun of God. Who owns it? Nobody! It`s GOD`s sun! In sacredness of the trinity comes therefore: God first, then comes Light, and then comes Love. But there would not be much fun to life if it was not for love, and love is undoubtedly the main purpose, and endproduct of life/creation/the source/the matrix/God. Therefore God (love) in turn = life = Love for God in return, and more Love! So it`s all about love! Also: Love = more Love/Sex by creating new lifeforms; keeping the circle of life going. We conclude that Love (and Light) is the most constructive concepts of all, and the most pure. Therefore Love is GOOD. So is light. But it all depends on how we utilize it.*

*Source (God) , Love, and Light is the sacred trinity creator (circle of life) nothing would exist without. They love each other; creating all life: Symbiosis.*

*Light is Jesus the Sun. Love is the divine feminine. (And the Sacred Trinity has been throughout all comparative religions, and history long before Christianity)*

*1<sup>st</sup> lesson: The Law is the circle of life. First day of Creation: God was Love, and Light: And emanated thus (circle of) life – all the universe - from these! These are the two divines. The two eternal.*

*Alternative TRUE physics (not Einstein`s) built on the Dr. Nicola Tesla, and Dr. Wilhelm Reich: PROVE that the Source (field) is God`s emanation – being all timespace, and forces of physics: Everything atom, and all you have ever seen and been. 2<sup>nd</sup> lesson: God is a person in highest form, but the universe is his FIELD or THOUGHT. The keepers of the Law should study. Don`t believe what they teach you at school!*

*But these two (L&L) can metaphorically represent much more as we will discover. Scientists argue that the prime emotion of (God) the source-field is love/sex/life/reproduction. Love is the law. Love symbolize our compassion/morale/heart, and light symbolize our intellect/will/brain. These are the two divine attributes of man that scientifically distinguish us from animals. We are made anatomically perfect. Billions of religious visions throughout all human history testify humanity is made in the image of the Infinite Creator, and we can thus hypothesize: Mankind`s Love/compassion + Light/intellect = God. And it started vice versa. Think about it. Love and Enlightenment is what every person deeply seeks to be whole and ascend into Godhood. To think that the ancient Christian, and Gnostic teaching of ascension is written in the law. We ascend via emotional liberation through deep love, and through mental liberation through attaining perfect enlightenment; and then we become God/ascend. Understand? So mankind=God because of brain and heart. Just like Jesus told us: Ye are Gods.*

*3<sup>rd</sup> lesson: The Law of Love, and Light distinguish us from animals, and prove us Gods in the Creator`s image.*

*Also. Listen to this: Combine love and intellect/light, and you get morale! So we live inside a matrix. What is it's end-product? It's goal? I say that Source, Love, and Light synthesize into a universe of harmony/wisdom/balance with a strong emphasis on sex and survival. This is the mind of the creator. It's goal can also be: Man, and his light and love; which leads to ascension. So ascension is the goal of the (source) matrix. As I said: God= Love and Light = Man, and Man = Love and Light = God. Return to the Source (Heaven.) Mankind is afterall: The flower of all evolution.*

*4<sup>th</sup> lesson: The law is the foundation of all morale and law.*

*To think that the metaphysical law that creates morale happens to be the law that creates the circle of life.*

*What a law. This is the law of the NWO that Bush senior envisioned in his 1991 speech. It is not the law of the jungle (do what thy wilt). I like to call it the law of civilization and order it because compassion+intellect=God, and shows God's orderly, perfect nature; in so that encourage us as a principle that structurizes society.*

*I believe God IS this law, and that creation (flower of life) is the construct in which this law appears. God gave encoded us with this law; visible in the stars, ourselves, the microcosmos, and the macrocosmos; for those who can think in parables, and metaphysical concepts. When mankind realizes this law; golden-age civilization follows; anywhere in the universe. The last time that happened was Atlantis.*

*5<sup>th</sup> lesson. The law is God, and God is eternal.*

*It can be made into a philosophical formula/equation: God = (the circle of) Life = love + light. God = Love + Light = Man, and vice versa. Love/compassion + LightIntellect = morale.*

*And as a metaphor: Man (light) + Woman (love) = Creator (New life/baby). The great secret of the gnostics. Man, and women are polarized parts of the whole that need to come together... Even the hindus teach that orgasm=Unity with God whereupon they shout "I am Shiva!" Shiva is ironically Lucifer in comparative mythology.*

*Another metaphorical concept comes to view in how the ancients genderized all things. Water + Fire (f.i magma) = Life. Etc. Etc. Etc.*

*The Law metaphysically applies to creation in nature through love being female, and man being light.*

*6<sup>th</sup> lesson. Sex is sacred. Love (woman) and man (light) = the blissful union with God when becoming creator`s (making babies) themselves. Becoming whole – as God is androgynous.*

*What I want you to remember is that we are all part of a source-field that constitutes all the forces of physics. This source-field = positive sexual-energy as hypothesized by myself, Dr. Wilhelm Reich, and others. All life energy=negative, or positive sexual energy. The dark side of the force is simply dead, or deleted parts of the Matrix. (Deleted timelines, and files in the netherworld, the Daath of the Sephiroth; ergo the Daath side of the force.)*

*7<sup>th</sup> lesson: All Source energy= positive, or negative sexual organic energy. (POR and DOR) Positive Orgone and Dead Orgone as defined by Dr. Wilhelm Reich.*

*So now you have discovered the future, eternal principle that unites religion, science and philosophy.*

*I will emphasize a bit: Love is akin to the word law. Quite a coincidence, as love/sex is the purpose, and endproduct of all other laws of the universe. Love is law, and means morale, respect, social kindness and care. In symbolism it can also mean water, the divine feminine, venus, and the moon etc.*

*Light means truth, enlightenment, spreading of knowledge, exchange of ideas, peace and order. In symbolism it can also mean fire, the divine masculine, the sun and Jupiter etc. The implications of synthesizing these archetypes to any field of thought, or science is simply majestic, and proves intelligent design in itself.*

*So you see: I discovered something similar to the Fibonacci sequence.*

*Love is the law; a language all religions can agree upon; and all ethnicities can understand. It traverses all borders, and is the hope of the beating heart: Common in everyone of us. Everlasting. Love is the hope of yesterday, today, and tomorrow. Added to the law is honesty: You must follow your heart, as sin is sinning to your conscience. Gabriel told me that, and Gabriel, the messenger of the Gods; revealed this law to me.*

*Light makes flowers of love spread new seeds for a new sun next year. Just as the God, and his law of Light is eternal, and shines upon all.*

*Thomas Eidsaa finished writing this the 16<sup>th</sup> of the 12<sup>th</sup> month in the year 2018. The second I finished this; the minute struck 00.00, and a NEW-DAY was born. The age of the law. The age of the son/sun.*

*We are all one through the superconscience matrix of the source-field!*

### **Reloveution is for all.**

The time has come for YOU to step up, and secure your children`s future! I highly recommend you band together in brotherhood, and build cells of survivalism with a knowledge-basis of love and light! Light of knowledge, and pride in your western-civilized heritage. Knowledge that binds together the world for your future; forming friendships. In the future we will look back at how we only accomplished our goals through love and light. Together these two make the *Whole Eternal Law*.

*The law of God: Love, and light* is my passion. So should it be for you. We all breathe the same air – part of the same superconscience source-field. The Ether.

So you see: I discovered something similar to the Fibonacci sequence.

Love is the law; a language all religions can agree upon; and all ethnicities can understand. It traverses all borders, and is the hope of the beating heart: Common in everyone of us. Everlasting. Love is the hope of yesterday, today, and tomorrow.

Take the mantle of truth, and run as lady liberty! It would honour me greatly! My sacrifice is not in vain my child. Take the journey through these webpages knowledge, wisdom, find the secrets, and rise to defend your future!

### **The Seven Essentials Deeds**

I personally believe in seven essential deeds as parts of christian life after a christian norse saying which all norwegian christians know about. I also retained my salvation through deeds after loosing it. Protestants disagree with catholics, as the latter believe deeds are essential, as do I. Scripture is clear. Every Christian in Norway has heard about the three b`'s; "bønn, bible og broderfelleskapet". In english they are: Prayer, reading the bible Bible, and having fellowship in the church. But I upgraded them to seven. It is truly a miracle the 7 essential deeds of the Bible can be numbered starting with a b in Norwegian. No other letter can number these seven in norwegian, or probably any other language. What a miracle! Again we see that God always uses his chosen prophets, and work in terms of sevens. These are the seven essentials deeds to a christian life.

1. Bekjennelse/Confessing. Confessing the christian faith, and confessing sins. Morning shema.
2. Bønn/Prayer. Prayer for yourself, countries, loved ones etc facing Jerusalem 3 times a day. Your intimate life with God. Worship either through soaking, singing, praising God in nature, or art each day.
3. Bibel/Bible. Read the Bible, and study the works, and also seek knowledge of God`s hand in creation.
4. Bud/The commandments. Meditate on them, and keep them throughout the day. It helps us having God as our first priority, first love, and focus.

5. Brorsfelleskap/Fellowship. Attending church. Being with Christian friends. Bible study. Cell groups.
6. Brødsbrytelse/The sacred communion. The eucharism.
7. Befalingen/The Great Commision. Preach the gospel to the ends of the Earth.

A true miracle isn't it? Praise Ahayah Yehuah, and Yahusha his son.

But what Gabriel wants NOW is a revival, and WAKE-UP call to the sleeping Christians, sleeping youth generation, and a parade of unifying morals for his west to survive. Amen.

Far into the aquarian age: 100 years after unifying world beliefs through universal humanism; based on the universal law of light and love; ending war, starvation, and disease: Heaven will come to Earth, and there will be no more sin; for the devil will have no room without a thorn in any man`s heart. All will live in their higher selves: the holy ghost, and all deeds will be sacred; for all will be Christians of my gospel. And it is only about love.

### **Regarding law and reward:**

It is written that we are rewarded by our deeds. **Jeremiah 17:9-10** "The heart is more deceitful than all else and is desperately sick; Who can understand it? "I, the Lord, search the heart, I test the mind, Even to give to each man according to his ways, According to the results of his deeds."

Having saintly figures observant of law is important for the over-all morale of any church. The Bible tell that those who are messianic jews of the old covenant get rewards after their deeds. This teaching permeates the old testament. Yet we still see Jesus lecturing the Apostles regarding pride in the afterlife.

### **Lucas 9:46-48**

"Then an argument started among the disciples as to which of them would be the greatest. But Jesus, knowing the thoughts of their hearts, had a little child stand beside Him. And He said to them, "Whoever welcomes this little child in My name welcomes Me, and whoever welcomes Me welcomes the One who sent Me. For whoever is the least among all of you, he is the greatest."

Matthew 20:1-16 seems to confirm this.

It seems love is the law of the new testament.

Still: I have had revelations from father Abraham about the hierarchical structure in Heaven, and it is VERY real; more so than any army. The day we realize we`re part of a Kingdom with a cause: this world will be Heaven`s sacred Eden in no time. My view is that putting yourself under sacred law is putting yourself low, and not high.

Religious scholars, and law-keepers should be honored also in this life. This is very important as to keep humanity clean as a good image before the Lord Yahweh Elohim whom always looks upon us with mercy. I believe great fruit awaits in Heaven for all we did with God in mind through wanting to be like our Jewish friend Jesus through love.

### **Me, and the Bible on sex before marriage, masturbation etc.**

It`s the big kahuna. What does the Bible tell us? All seek to justify their carnal lusts as children of this sex-fixated era. Adultery after marriage is of course forbidden unless you are the king of Israel, and have concubines. (joke) We arrive at the hardest truth that afflicts our personal lives the most, and I will be more strict than jews. The conclusions hereof must be observed by church-members.

Modern day reformed Judaism, as well as Torah law does not condemn premarital sex, but condemns adultery in marriage severely. Still some jews condemn pre-marital sex based on this f.i verse.

### **Deuteronomy 22:28-29**

“If a man finds a girl who is a virgin, who is not engaged, and seizes her, and lies with, and they are discovered, then the man who lay with her shall give to the girl's father fifty shekels of silver, and she shall become his wife because he has violated her; he cannot divorce her all his days....”

### **Exodus 22:16**

"If a man seduces a virgin who is not pledged to be married and sleeps with her, he must pay the bride-price, and she shall be his wife."

Jesus says "you have heard that you shall not commit adultery" which implies that premarital sex was condemned by 1<sup>st</sup> century jews. He goes on to say "if your right hand causes you to sin (masturbate) , then it`s better for you to cut it off!" Wow! I`m glad Jesus fulfilled the law so I can have mercy! Even still: We must not forget how dire sin really is, and lift this example up so as to promote the holiest of manners possible.

Sunni Islam does not condemn premarital sex as long as in a form they call temporary marriage. Remember that the muslim leaders are allowed to have concubines. Sharia also tells every man can have four wives. I`m glad I`m a Christian. The leftist feminists should be a bit more investigative before condoning Islam under their political banner of "equality."

So in short: Marry young, and stay healthy! Sex is good for you, and you need it! Our church should help forge suitable couples as the great Norwegian saint Hans Nielsen Hauge did; creating dozens of sustainable marriages.

That was the basic meltdown. More on sex:

**WARNING!** Do not EVER sleep with whores or adulterers, for such go straight to Hell, as I can assure you having been caught by such sin myself, having to abruptly stop in the sex act *immediately* after "becoming one", or putting it in, as I felt a loss in holy power after-which I ran out home – all the way to church, and prayed the day out! I warn you! Whatever you do: Be aware of witches! Be aware of unclean witches or vampires that are whore! Be aware of death-auras! They can use sex to steal your soul ok? You don`t know who is a witch. Then you WILL be done for: Forever!

Stay away from unclean sex! This is because the spirits merge within the sexual act. **Mark 10:8** Now we all know we live in a time of sex-addiction, orgies, and blatant display of sex. I will therefore come with non-biblical revelations of what is best for you, and do so in royal authority, and not in the authority of the Bible.

More: The Old Covenant teaches us that marriage is concluded by the sexual act. **Genesis 24:67:** "Isaac brought her into the tent of his mother Sarah, and he married Rebekah. So she became his wife, and he loved her; and Isaac was comforted after his mother`s death." Deut. 21:13 29:21; 1 Kings 11:2 confirms this as well. Sex is a spiritual bond, and the most beautiful, sacred thing before God. That being said: God actually encourages us to have sex, and we see that

several spouses, and concubines were common in the OT. F.i Genesis 16:4 "He slept with Hagar, and she conceived." We also see that sex with the King was not regarded as sin, and that the nobility had concubines as is common in chief-culture among Africans priests, and among all Muslims.

**F.i 1 Kings 11:1-5** "Now King Solomon loved many foreign women along with the daughter of Pharaoh: Moabite, Ammonite, Edomite, Sidonian, and Hittite women, from the nations concerning which the Lord had said to the sons of Israel, "You shall not associate with them, nor shall they associate with you, for they will surely turn your heart away after their gods." Solomon held fast to these in love. He had seven hundred wives, princesses, and three hundred concubines, and his wives turned his heart away. For when Solomon was old, his wives turned his heart away after other gods; and his heart was not wholly devoted to the Lord his God, as the heart of David his father had been." /

Although you can question what an insane harem this was, it also confirms that intercourse with pagans (I.e non-jews/non-christians) is considered a sin!

### **To sin, or to burrow your soul-urge?**

If one are a part of our current culture, and engage in these un-biblical acts, it is vital that one carries a clean conscience when burning with lust I.e acting like an animal. (But that doesn't mean you shall be mean; Im sure you get the idea) IF your inner spirit, love-attachment, and guilt starts questioning your acts, then IMMEDIATELY break off.

What I will here say implies a deeper understanding of sin through gnosis you can read in my book "Love, Light and Libery".

I personally can feel what is sin, and what is holy. If joy, liberation, and equal happiness is the result of un-pervasive, clean sex through nothing but love, and "it happened anyways" since you have already lusted, and merged in spirit. Burning with lust can sometimes lead to depression, and all matters of perversion, and illnesses worse than sacred sex. It doesn't have to be an unclean covenant of marriage at all.

Casual sex is sometimes the result of our sinful nature, and is to heaven the same as animal desires i.e acting like morons, and therefore not so serious. Having a girlfriend, or boyfriend is strictly illegal, and much more severe. I am certain everyone has felt the connection that is made through a conscious act of loving emotions contrary to casual sex, which is bad enough in itself.

Childish sex with a fellow Christian, when in the presence of the Lord`s intimacy after asking the holy spirit is in my own experience strictly speaking not something you would go to Hell for, or that I felt was unholy, as is this secret, gnostic, and royal Solomonic advice. On the contrary. Sex can be purifying, healing, and heavenly uplifting. But not everyone are like me. There are those with evil, carnal desires who have a different definition of "love", so I still urge you to follow the Bible, keep yourself holy for all the glory of Heaven. Please remain pure.

To the married I say (not I, but the Lord): A wife must not separate from her husband...." When you marry; you shall not commit adultery!!! This is important both in Judaism, Islam, and Christianity.

If there is one thing I want you to remember, it is this: Fornication, and spiritual bonds with unclean people is a gaping road straight to Hell as we all know our spirits interweave when we have sex! I'm not as experienced as Solomon, but I am a hyper-sensitive person.

In practically all the antique world; some people were considered sacred whores, as is the black version of Virgin Mary (Black Madonna) , and Mary Magdalene in the GNOSTIC tradition (which I don`t believe in). "Sacred whores" was the custom in some Isis, Aphrodite, and Astarte temples, as well as the christian gnostics up to this day. I am strictly against this heretical hedonism just so we have addressed it. The young girls of Egypt had to be whores for a day when they reached puberty as was the custom. All would come, and could have sex with them. Even old men.

It can be argued that it is allowed between unmarried heterosexual devotees of the same religion, or at least spiritual people who cleanse their spirits - to have intercourse in contemporary marriage, or as "concubines" - as is allowed in e.g Shia Islam, and as it was in the early essene, and Gnostic church judging from history. One could still argue this, but *strictly not from a scriptural basis..!* So I would rather stay safe. Yet ultra-liberal, Paulian theology (which is probably true) of having sacred sex in the holy spirit as if you were King Solomon has become widely accepted in even formerly conservative denominations.

The Gnostics believed sex could be sacred, but had perverse rituals like consuming sexual liquids, and DIABOLICAL heresy!

Orgies are of course non-biblical, strictly forbidden, and can become a growing cancer in the church, and develop into a secretive cult-status, or secret church inside the main church. If a man, and a women, or a girl, and a boy in our church

have sex; it happens. But we don't want Church to be a dating bureau, or a springboard for sex. JESUS first. It should not be so that when a Holy Man such as myself enters Church, I feel unclean spirits of lusts. I would feel like my brothers, and sisters were not brothers, and sisters anymore, but LUSTED after each other! We must have pure spirits, and COL ministries stays by BIBLICAL doctrine alone. Keeping your virginity until marriage. Which is fantastic, beautiful, romantic, and VERY pleasing to the Lord.

**Galatians 5:21** forbids orgies. "And envy; drunkenness, orgies, and the like. I warn you, as I did before, that those who live like this will not inherit the kingdom of God."

Read the Bible as a whole. Do not MISUSE PAUL:

**Corinthians 10:23-24** "Everything is permissible, but not everything is edifying. No one should seek his own good, but the good of others." Or as Jesus says "do to others what you want others to do to you." (This can be taken way out of context.) For Paul also says:

**1 Corinthians 7:8-10** "Now to the unmarried and widows I say this: It is good for them to remain unmarried, as I am. But if they cannot control themselves, let them marry. For *it is better to marry than to burn with passion.*

Corinthians 13 talks of love, yet this is not sexual love. This is binding love in the image of the Father/God. The love between God, and man is called "agape" in Greek. The human love, including sexual relations is called "filios". Agape is "unconditional love." Pure, forgiving, and divine love. The source.

Solomon says:

**Ecclesiastes 11:9**

Rejoice, O young man, in your youth, and let your heart cheer you in the days of your youth. Walk in the ways of your heart and the sight of your eyes. *But know that for all these things God will bring you into judgment.*

Having sexual relationships with temporary spouses, GF, and BF is common for youth, and young adults in this age.

They have not yet come into the adult holiness through the long sanctification process.

**Matthew 5:27-28:** "You have heard that it was said, 'Do not commit adultery.' But I tell you that anyone who looks at a woman to lust after her has already committed adultery with her in his heart."

**Matthew 5:30** (regarding masturbation) "And if your right hand causes you to sin, cut it off and throw it away. It is better for you to lose one part of your body than for your whole body to depart into hell." Jesus addressed this right after having a speech about sexual sin if you read the whole chapter. But Jesus came to fulfill the law, and was special. So can we, or can we not have sex while in the Holy Spirit protection, and be free from sin?

### **What's the meltdown?**

Gnostics would deduce from that from the hidden, mystic, biblical understanding, as well as the sin of masturbation and porn; it is better for two sacred adherents of the same faith to share a bed rather than fruit feelings of shame, anger, inferiority, loneliness, and all that follows.

Others would argue this is absolute rubbish. One cannot have opposing views in one church body! At least: I won't. (Ephesians 2:14-15.) It will lead to feelings of pride, envy, hate, deprivation, contest, secrecy, perversion etc surrounding sexual relationships IN the Church..

*We conclude that the only biblical truth for ANY Church to follow is that premarital sex is forbidden, and so it shall be to the end of time.*

Matthew 5:30 tells how we commit fornication only by looking at a heathen woman, but gnostics say "sharing a bed in heaven is better" than letting your lust grow until it opens doorways to even greater evil, and immoral lifestyles after emotional loss, and/or low self-esteem often through the lack of physical contact. I say: Where is the love? The disciples hugged, and kissed each other. Love is not forbidden. Physical contact is VERY Christian! Sex is however forbidden.

I as Isus himself lived by the strictest of rules, and birthed a completely ruined life with a terrible inferiority complex, and write this chapter with absolute knowledge in what is sin, having been the devil himself. I sincerely wish the sin of sex was crucified, and perhaps Jesus did it. Lack of sex may sometimes lead to more lust, and in others do the opposite. God personally showed me how he intended me to have sex, as I birthed low self-esteem, and completely ruined life through my strict rules. I was lonely, and never given a christian mentor, fatherly figure, or even a single friend ever. I lost my force, power and ego through lack of human contact. I was not a man.

I will end with a quote from a wise man I once met in Hawaii. "The pitfalls of of the adolescent life is sex and lust. When adult; it`s power. When old; it`s greed and money. Beware of these."
