Introduction.

Dear muslim. I write this for you. I respect you. The origin, and story of Islam is incredible. The fact that Muhammad was like a Moses to the pagan arábians is cool..! But did he have everything right? Did he falsify the tanakh (judeo-christian Bible) , and add more to his religion than what was God`s will? Is Islam foretold in the Bible? Is it time for Islam to reform, and embrace Christianity? Let`s find out!

I share my knowledge about the religion Islam seen from a Christian perspective after a short study, and it`s far from perfect, but here goes:

100000 MUSLIMS WILL CONVERT AFTER READING THIS 😊😊😊😊😊

Galatians 1:6-9

“I am astonished that you are so quickly deserting the one who called you to live in the grace of Christ and are turning to a different gospel— which is really no gospel at all. Evidently some people are throwing you into confusion and are trying to pervert the gospel of Christ. But even if we or an angel from heaven should preach a gospel other than the one we preached to you, let them be under God’s curse! As we have already said, so now I say again: If anybody is preaching to you a gospel other than what you accepted, let them be under God’s curse!”

Allah.

El was the God of the phoenecians and canaanites. The horned God EL of the astrological age of Taurus. Many Christians have argued that Allah is El, or that he is a moon-God of the Kaaba. But what about Yah of Gad in Philistine, the Yah of the Egyptians, Sin of Sinai, and Yah of the Israelites? Where not they moon-gods too? I always return to the conclusion: God`s name? It changed over time. Every tribe has their word for God, but we have discovered that the Hebrew/Aramaic words incorporate mysteries.

As Allah can mean Goddess in hindu Sanskrit, and also because the word is similar to the Sanskrit word om, some Christians have said Allah comes from Sanskrit, which there is no scholarly, or historical evidence of. Allah means God, and Om is the emnation of the universe, and the sound of the source field. Former radio-host Bill Jenkins also say Great Pyramid of Giza was also built as a resonator through chanting the name "om" in the Kings Chamber.

There is no reason to believe Allah is not the Arabic form of the ancient aramaic, and proper word for God. Allah is in fact a more proper word for God that "God".

Most Christian Muslims use the name Allah for God. Why? Because Allah comes from, and originally came from the term Al-Ilah which translates to "the God" even when Muhammad walked the Earth.

Wikipedia has this to say about Allah:

'ilāh (Arabic: إله; plural: آلهة 'ālihah) is an Arabic term **meaning** "deity" or "**god**". The feminine is 'ilāhah (إلهة, **meaning** "goddess"); with the article, it appears as al-'ilāhah الإلهة. It appears in the name of the monotheistic **god** of **Islam** as al-Lāh, translated, that is, "the **god**".

Elahi/Eloi is the word Jesus used for God, and means "my God" in aramaic, whereas Elah means "God". The Greek new testament otherwise use the word "Kyrie" for God. With some vowel-points (invented in the 6th century by Masoretic schoolars) the word becomes pronounced "Alloh" according to some muslim-friendly jews; but hebrew dictionary says it`s pronounced "el-aw" today. *It still sounds similar to Allah though.* Also: Elohim in singular form is Eloah, meaning strong one in Hebrew. Eloah is pronounced Allah in Hebrew, and is a Biblical term used both for pagan Gods, *but mostly the God of Israel.* Some argue They only worship one of the aspects of our jewish God as God is Yahweh Elohim, or Yah-Allah as has become so popular. They worship an aspect of the Greater Deity. I worship Yahweh Elohim. Not Allah. But there is nothing wrong in it.

I worship God as; God ABOVE Jupiter, Saturn, and stargods. The God OF Isis, Ra and El.

Why do I mention stargods? The Bible is clear that we shall not worship planetary Gods, and only the Most High.

Acts 7:43 You have taken up the tabernacle of Molek and the star of your god Rephan, the idols you made to worship. Therefore I will send you into exile' beyond Babylon.

The symbols, and flag of Islam is the crescent moon and five-pointed star, and is the sacred, ancient symbol of several evil Gods. *Nambely Baal, Hu-Baal, El, Ishtar, and the Goddess at the Kaaba.* Pagan Babylonian religion has survived both in Islam, and in Christianity. The El is king of the Gods, and Saturn, whom in Catholic demonology is the demon-prince Beelzebub/Baal. Hubal means "spirit Baal", and was the supreme deity of the pagan Kaaba. Allah was worshipped at the Kaaba as a moon-God. They offered human sacrifices to all these Gods AT the time of Muhammad, including Allah. They also worshipped Ishtar/Venus at the Kaaba before Muhammad as a trinity goddess of Al-Uzza, Manat, and Allat. The witchgod/goddess under many names. Muhammad stopped the pagan sacrifices, and brought the arabs under Allah, whom had previously worshipped 360 Gods at the Kaaba. *Muhammad was in that way much like the arabian version of Moses.* Islam is very similar to Judaism in it`s laws, but both lack the salvation through Jesus Christ. All Abrahamic religions worship God. It`s not so that "Islam worships Allah the devil", as some Christians say. But the sharia laws of Islam are distinct from anything in

Judaism, and makes Islam a dangerous, and anti-humane religion – not suitable for the modern world. Unless it reforms. But Christians must look at themselves, and help their Muslim brothers. For Jihad started with the Christian crusades, and Sharia started in the Ottoman Empire. We must unite, and bring our Jewish, and Muslim brothers under Christ. They worship God, but cannot enter Heaven except through Jesus. This is a tragedy. Near-death experiences confirms this.

The symbol of Islam is something you´ve seen in the sky many times, perhaps not thinking of it. Venus, and the moon. This should not be the symbol of Islam, as it is the symbol of Baal. The Kaaba is also as ridiculous as anything in the Catholic Church. All historical, and archeological evidence proves the symbol of Islam was used to represent Baal. That is a fact. The symbol also stems from the pagan Egypt, and is similar to the sun-disc, and horns the Gods had on their heads; particularly the goddess Isis as in the terror group.

Sadly; Muhammad ruined the beautiful evolution of Judaism into Christianity. He also managed to twist all Biblical history, and scripture that was 1400 years old at his time: Inventing his own version of the biblical stories. All based on his singular imagination.

The black cube of Mecca, where they kiss a meteor is definitely remnants of goddess-worship whose coming was symbolized by a meteor, or shooting star throughout the entire antique world. Furthermore; the meteor (said to carry the world`s sins) is inside a vesical pisces. "A vagina" so to speak.

The symbol of Saturn is a black cube. Muslims walk around the (Saturn) square of the kaaba representing the rings of Saturn. The Kaaba is still a pagan Saturn-cult. Pre-Muhammad pagan beliefs in Baal, and El still survive in Islam just as Mystery Babylon has infiltrated Christianity and Judaism.

Ok. So they got the NAME right, but what does it matter? They used to sacrifice HUMANS to Allah at the Kaaba before Muhammad! You can`t worship that!

Dr Alberto Rivera says Catholic Rome created Islam!

From bibliotecapleyades: What I'm going to tell you is what I learned in secret briefings in [the Vatican](#) when I was a Jesuit priest, under oath and induction.

A Jesuit cardinal named **Augustine Bea** showed us how desperately the Roman Catholics wanted Jerusalem at the end of the third century. Because of its religious history and its strategic location, the Holy City was considered a priceless treasure.

A scheme had to be developed to make Jerusalem a Roman Catholic city. The great untapped source of manpower that could do this job was the children of Ishmael.

The poor Arabs fell victim to one of the most clever plans ever devised by the Powers of Darkness.

Early Christians went everywhere with the gospel, setting up small churches, but they met heavy opposition.

Both the Jews and the Roman government persecuted the believers in Christ to stop their spread.

But the Jews rebelled against Rome, and in 70 A.D. Roman armies under General Titus smashed Jerusalem and destroyed the great Jewish temple which was the heart of Jewish worship - in fulfillment of *Christ's prophecy* in Matthew 24:2.

On this holy place, where the temple once stood, the *Dome of the Rock Mosque* stands today as Islam's second most holy place.

Sweeping changes were in the wind. Corruption, apathy, greed, cruelty, perversion, and rebellion were eating at the Roman Empire, and it was ready to collapse. The persecution against Christians was useless, as they continued to lay down their lives for the gospel of *Christ*.

The only way Satan could stop this thrust was to create a counterfeit "Christian" religion to destroy the work of God.

The solution was in Rome. Their religion had come from ancient Babylon, and all it needed was a face-lift. This didn't happen overnight, but began in the writings of the "early church fathers".

It was through their writings that a new religion would take shape. The statue of Jupiter in Rome was eventually called St. Peter, and the statue of Venus was changed to the Virgin Mary. The site chosen for its headquarters was on one of the seven hills called "Vaticanus" - the place of diving serpent where the satanic Temple of Janus stood.

The great counterfeit religion was *Roman Catholicism*, called "Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth" (Revelation 17:5). She was raised up to block the gospel, slaughter the

believers in *Christ*, establish religions, create wars, and make the nations drunk with the wine of her fornication as we will see.

Three major religions have one thing in common - each has a holy place where they look for guidance. Roman Catholicism looks to the Vatican as the *Holy City*. The Jews look to the wailing wall in Jerusalem, and the Muslims look to Mecca as their Holy City.

Each group believes that *they receive certain types of blessings for the rest of their lives for visiting their holy place.*

In the beginning, Arab visitors would bring gifts to the "House of *God*" and the keepers of the Kaaba were gracious to all who came. Some brought their idols and, not wanting to offend these people, their idols were placed inside the sanctuary.

It is said that the Jews looked upon the Kaaba as an outlying tabernacle of the *Lord*, with veneration until it became polluted with idols.

In a tribal contention over a well (Zamzam) the treasure of the Kaaba and the offerings that pilgrims had given were dumped down the well and it was filled with sand; it disappeared.

Many years later **Adb al-Muttalib** was given visions telling him where to find the well and its treasure. He became the hero of Mecca, and he was destined to become *the grandfather of Muhammad*.

Before this time, Augustine became the bishop of North Africa and was effective in winning Arabs to Roman Catholicism, including whole tribes. It was among these Arab converts to Catholicism that the concept of looking for an Arab prophet developed.

Muhammad's father died from illness, and sons born to great Arab families in places like Mecca were sent into the desert to be suckled and weaned and spend some of their childhood with Bedouin tribes for training and to avoid the plagues in the cities.

After his mother and grandfather also died, Muhammad was with his uncle when a Roman Catholic monk learned of his identity and said:
 "Take your brother's son back to his country and guard him against the Jews, for by *God*, if they see him and know of him that which I know, they will construe evil against him. Great things are in store for this brother's son of yours."

The Roman Catholic monk had fanned the flames for future Jewish persecutions at the hands of the followers of Muhammad.

The Vatican desperately wanted Jerusalem because of its religious significance, but was blocked by the Jews.

Another problem was the *true Christians* in North Africa who preached the gospel. Roman Catholicism was growing in power, but would not tolerate opposition. Somehow the Vatican had to create a weapon to eliminate both the Jews and the true Christian believers who refused to accept Roman Catholicism. Looking to North Africa, they saw the multitudes of Arabs as a source of manpower to do their dirty work.

Some Arabs had become Roman Catholic, and could be used in reporting information to leaders in Rome. Others were used in an underground spy network to carry out Rome's master plan to control the great multitudes of Arabs who rejected Catholicism.

When "St. Augustine" appeared on the scene, he knew what was going on. His monasteries served as bases to seek out and destroy Bible manuscripts owned by the true Christians.

The Vatican wanted to create a messiah for the Arabs, someone they could raise up as a great leader, a man with charisma whom they could train, and eventually unite all the non-Catholic Arabs behind him, creating a mighty army that would ultimately capture Jerusalem for the pope.

In the *Vatican briefing*, Cardinal **Bea** told us this story:

A wealthy Arabian lady who was a faithful follower of the pope played a tremendous part in this drama. She was a widow named Khadijah. She gave her wealth to the church and retired to a convent, but was given an assignment.

She was to find a brilliant young man who could be used by the Vatican to create a new religion and become the *messiah* for the *children of Ishmael*.

Khadijah had a cousin named Waraquah, who was also a very faithful Roman Catholic, and the Vatican placed him in a critical role as Muhammad's advisor. He had tremendous influence on Muhammad.

Teachers were sent to young Muhammad and he had intensive training. Muhammad studied the works of St. Augustine, which prepared him for his "great calling". The Vatican had Catholic Arabs across North Africa spread *the*

story of a great one who was about to rise up among the people and be the chosen one of their God.

While Muhammad was being prepared, he was told that his enemies were the Jews and that the only true Christians were Roman Catholic. He was taught that others calling themselves Christians were actually wicked impostors and should be destroyed. Many Muslims believe this.

Muhammad began receiving "divine revelations" and his wife's Catholic cousin Waraquah helped interpret them. From this came *the Koran*. In the fifth year of Muhammad's mission, persecution came against his followers because they refused to worship the idols in the Kaaba.

Muhammad instructed some of them to flee to Abyssinia, where Negus, the Roman Catholic king, accepted them because Muhammad's views on the virgin Mary were so close to Roman Catholic doctrine. These Muslims received protection from Catholic kings because of Muhammad's revelations.

Muhammad later conquered Mecca and the Kaaba was cleared of idols.

History proves that before Islam came into existence, the Sabeans in Arabia worshiped the moon-god who was married to the sun-god. They gave birth to three goddesses, who were worshipped throughout the Arab world as "*Daughters of Allah*". An idol excavated at Hazor in Palestine in the 1950s shows *Allah* sitting on a throne with the crescent moon on his chest.

Muhammad claimed he had a vision from *Allah* and was told:
"You are the messenger of *Allah*."

This began his career as a prophet and he received many messages. By the time Muhammad died, the religion of Islam was exploding. The nomadic Arab tribes were joining forces in the name of *Allah* and his prophet, *Muhammad*.

Some of Muhammad's writings were placed in the Koran, others were never published. They are now in the hands of high ranking *holy men* (Ayatollahs) in the Islamic faith.

When Cardinal **Bea** shared this information with us in the Vatican, he said:
"These writings are guarded because they contain information that links the Vatican to the creation of Islam."

Both sides have so much information on each other that, if exposed, it could create such a scandal that it would be a disaster for both religions.

In their "holy" book, the Koran, *Christ* is regarded as only a prophet. If the pope was his representative on Earth, then he also must be a prophet of *God*.

This caused the followers of Muhammad to fear and respect the pope as another "holy man".

The pope moved quickly and issued bulls granting the Arab generals permission to invade and conquer the nations of North Africa.

The Vatican helped to finance the building of these massive Islamic armies in exchange for three favors:

1. Eliminate the Jews and Christians (the latter were regarded as true believers, which they called infidels)
2. Protect the Augustinian monks and Roman Catholics
3. Conquer Jerusalem for "His Holiness" in the Vatican

As time went by, the power of Islam became tremendous.

Jews and true Christians were slaughtered, and Jerusalem fell into their hands. Roman Catholics were never attacked, nor were their shrines, during this time. But when the pope asked for Jerusalem, he was surprised at their denial!

The Arab generals had such military success that they could not be intimidated by the pope - nothing could stand in the way of their own plan.

Under Waraquah's direction, *Muhammad* wrote that *Abraham* offered *Ishmael* as a sacrifice. The Bible says that Isaac was the sacrifice, but Muhammad removed Isaac's name and inserted Ishmael's name. As a result of this and Muhammad's vision, the faithful Muslims built a mosque, the *Dome of the Rock*, in Ishmael's honor, on the site of the Jewish temple that was destroyed in 70 A.D. This made Jerusalem the second most holy place in the Islamic faith.

How could they give such a sacred shrine to the pope without causing a revolt?

The pope realized what they had created was out of control when he heard they were calling "His Holiness" an infidel. The Muslim generals were determined to conquer the world for *Allah*, and now they turned toward Europe.

Islamic ambassadors approached the pope and asked for papal bulls to give them permission to invade European countries. The Vatican was outraged; war was inevitable. Temporal power and control of the world was considered the basic right of the pope.

He wouldn't think of sharing it with those whom he considered heathens.

The pope raised up his armies and called them "crusades" to hold back the children of Ishmael from grabbing Catholic Europe.

The crusades lasted for centuries and Jerusalem slipped out of the pope's hands. Turkey fell, and Spain and Portugal were invaded by Islamic forces. In Portugal, they called a mountain village "Fatima" in honor of Muhammad's daughter, never dreaming it would become world famous.

Years later, when the Muslim armies were poised on the islands of Sardinia and Corsica, to invade Italy, there was a serious problem. The Islamic generals realized they were too far extended. It was time for peace talks. One of the negotiators was Francis of Assisi.

As a result, the Muslims were allowed to occupy Turkey in a "Christian" world, and the Catholics were allowed to occupy Lebanon in the Arab world. It was also agreed that the Muslims could build mosques in Catholic countries without interference, as long as Roman Catholicism could flourish in Arab countries.

Cardinal Bea told us in Vatican briefings that both the Muslims and Roman Catholics agreed to block and destroy the efforts of their common enemy: *Bible-believing Christian missionaries*.

Through these concordats, *Satan* blocked the children of Ishmael from a knowledge of scripture and the truth.

The Islamic community looks on the Bible-believing missionary as a devil who brings poison to the children of *Allah*. This explains years of ministry in those countries with little results.

The Vatican also engineers a campaign of hatred between the Muslim Arabs and the Jews. Before this, they had co-existed peacefully. A tight control was kept on Muslims - from the Ayatollah, down through the Islamic priests, nuns, and monks.

The next plan was to control Islam. In 1910, Portugal was going Socialistic. Red flags were appearing and the Catholic Church was facing a major problem. Increasing numbers were against the Church.

The Jesuits wanted Russia involved, and the location of [this vision at Fatima](#) could play a key part in pulling Islam to the Mother Church. In 1917, the Virgin appeared in Fatima. "The Mother of God" was a smashing success, playing to overflow crowds. As a result, the Socialists of Portugal suffered a major defeat.

Roman Catholics worldwide began praying for the conversion of Russia, and [the Jesuits](#) *invented the novenas to Fatima*, which they could perform throughout North Africa, spreading good public relations to the Muslim world.

The Arabs thought they were honoring the daughter of Muhammad, which is what the Jesuits wanted them to believe.

As a result of the vision of Fatima, Pope **Pius XII** ordered his Nazi army to crush Russia and the Orthodox religion, and make Russia Roman Catholic. A few years after he lost World War II, Pope Pius XII startled the world with his phony "dancing Sun" vision to keep Fatima in the news. It was great religious show biz and the world swallowed it.

Not surprisingly, Pope Pius was the only one to see this vision.

As a result, a group of followers has grown into a *Blue Army* worldwide, totaling millions of faithful Roman Catholics ready to die for *the Blessed Virgin*. But we haven't seen anything yet. The Jesuits have their Virgin Mary scheduled to appear four or five times in China, Russia, and major appearance in the U.S.

What has this got to do with Islam?

Note Bishop Sheen's statement:

"Our *Lady's appearances* at Fatima marked the turning point in the history of the world's 350 million Muslims. After the death of his daughter, Muhammad wrote that she 'is the most holy of all women in Paradise, next to Mary.'

He believed that the Virgin Mary chose to be known as *Our Lady of Fatima* as a sign and a pledge that the Muslims who believe in Christ's virgin birth, will come to believe in his divinity."

Bishop Sheen pointed out that the pilgrim virgin statues of *Our Lady of Fatima* were enthusiastically received by Muslims in Africa, India, and elsewhere, and that many Muslims are now coming into the *Roman Catholic Church*.

The 1st beast from the sea as a person; Judas Iscariot!

From here on, I will explain the conspiracy that is Islam. We will discover that the beast of Revelations, the antichrist; Is none other than Judas, and that

Muhammad is his prophet: The second beast; foretold in Revelations. For Muhammad proclaims that Judas was crucified, and not Jesus. Let`s begin.

In John 17:12 we have a word which shows that the Antichrist will be Judas reincarnated, for here he is termed by Christ "The Son of Perdition". But first let us consider the teaching of Scripture concerning Judas Iscariot. Who is he? He was a "man" (Matt. 26:24). But was he more than a man? Let Scripture make answer. In **John 6:70** we read, "Have not I chosen you twelve, and one of you is a Devil?" It is hardly necessary to say that in the Greek there are two different words for "Devil" and "demon". Judas was no man! He was a devil. An entity. Further, in no other passage is the word "devil" applied to any one but to Satan himself. Judas then was the Devil incarnate, just as the Lord Jesus was God incarnate. Christ Himself said so, and we dare not doubt His word.

As we have seen, in John 17:12 Christ termed Judas "the Son of Perdition", and in 2 Thess. 2 :3 we find that the Antichrist is similarly designated- "That Man of Sin be revealed, the Son of Perdition". These are the only two places in all the Bible where his name occurs, and the fact that Judas was termed by Christ not a "son of perdition", but "the Son of Perdition", and the fact that the Man of Sin is so named prove that they are one and the same person. What other conclusion can a simple and unprejudiced reader of the Bible come to?

In Rev. 11:7 we have the first reference to "the Beast" in the Apocalypse: "The Beast that ascendeth out of the bottomless pit". Here the Antichrist is seen issuing forth from the Abyss. What is the Abyss? It is the abode of lost spirits, the place of their incarceration and torment&emdash; see Rev. 20:1-3, and Luke 8:31. "Deep" is an "abyss", and cf. Matt. 9:28. The question naturally arises:

How did he get there? And when was he sent there? We answer. When Judas Iscariot died! The Antichrist will be Judas Iscariot reincarnated. In proof of this we appeal to Acts 1 :25 where we are told, "that he may take part of this ministry and apostleship from which Judas by transgression fell, that he might go to his own place". Of no one else in all the Bible is it said that at death he went "to his own place". Put these two scriptures together: Judas went "to his own place", the Beast ascends out of the Abyss. Judas was welcomed in Hell!

In Rev. 17:8 we read, "The Beast that thou sawest was, and is not: and shall ascend out of the Bottomless Pit, and go into perdition". This verse is generally understood to refer to the revived Roman Empire, and while allowing that such an application is warrantable, we are persuaded it is a mistake to limit it to this.

In the Apocalypse, the Roman Empire and its final and satanic Head are very closely connected, so much so, that at times it is difficult to distinguish between them. But in Rev. 17 they are distinguishable. In v. 8 we are told that the Beast

"shall ascend out of the Bottomless Pit, and that he shall go into perdition". In v. 11 we are told, "And the Beast that was, and is not, even he is the eighth, and is of the seventh, and goeth into perdition". Now nearly all expositors are agreed that the Beast of v. 11- the "eighth" (head, and form of government of the Roman Empire- is the Antichrist himself; then why not admit the same of v. 8? In both, the designation is the same- "the Beast"; and in both, we are told he "goeth into perdition."

The first beast is the roman empire: represented by the pope: Judas the antichrist who crucified Jesus, and started it all.

Was Judas crucified instead?

Ask any historian or professor. That Jesus lived, and was crucified under Pontius Pilate is the most known fact of all antique history. Muhammad was the first person historically to *simply DENY* (huh) Jesus was crucified, and that JUDAS Iscariot was crucified instead!!! No historian of today will deny that Jesus Christ existed, and died on a cross under Pontius Pilate. It sounds stupid, and mindbogglingly unintelligent, but he managed to deceive the world in doing so: having all the power of the 1st beast.

It would be the same as saying something like "the black death never happened." Of course it didn't happen! I said it! "Don't you believe I am a prophet?! We will conquer the world!"

Jesus Christ is the most documented historical person of the ENTIRE antique, AND medieval era with over 5000 independent sources of written text compiled as universal, scholarly accepted truth several centuries before the false Prophet Muhammad came crawling out of the earth rambling because he couldn't read, or remember the Biblical tales.

History, ancient texts, jewish belief, roman belief, Christianity's miraculous existence in the midst of persecution, Christianity's miracles, the astrotheological Horus-sun myth of the Bible, the Biblical gematria, and astrology surrounding Jesus was simply based on Judas being "magically transformed into Jesus" since "it was never the plan that Jesus should have been crucified". Still muslims believe Allah changed Judas apperance as the Quran tells. Here we go again. Oy vey! Not another antichrist!

Yeah. Judas was whipped, and carried his own cross, became a Horus myth by mere coincidence, and said "it is finished". There was a great earthquake, and the Christian disciples probably stole his body after three days in the tomb. The Christians, Romans, and Jews had no idea that Judas was magically transformed into Jesus: But Muhammad knew 500 years later! The disciples were simply

wrong, while Muhammad was correct. All Jesus worked so hard for: all the carefully constructed mysteries of Christianity amounts to nothing. Thank you Muhammad. Our family is very grateful for the millions of Christians you have slaughtered. The fact that Judas hanged himself is no allegory to that he was crucified instead, as some muslims believe.

A great earthquake shook the earth as Judas was sent to Heaven with 72 concubines.. No. There IS no sex in heaven! All spiritual people know this! I am a soul-traveler myself, and the higher I go in the dimensions; the less carnality and sex! Christianity arose from twelve persecuted christians that were surrounded by miracles, and such faith in that they had seen the living Jesus that they soon became the dominating world religion centuries before Muhammad.

Yeah. They made a gematric 7digit bible about this majestic savior myth, and 12 disciples changed the world based on lies while risking their Christian lives for 400 years.. All miracles were simply forgeries. That Christianity changed all of Rome was actually Satan`s work while Muhammad was right! Makes huuuge sense..! Just check out Ivan Panin`s numerics in scripture.

Allah is a moon-god! I know him! He is a most powerful astrological force of Saturn, and the fallen Elohim.

Muhammad is a disgrace to the ancient, and modern scientific community.

The shroud of turin leaves proof of Jesus ascension, and ressurection through the image left on it. Such an image can only be made of incredible light I.e the body of Jesus transforming into light! This is what hindus call the "rainbow body." We must also take into view the jewish, and roman accounts that Jesus was crucified!

Muhammad has to be wrong! He was only a conspirator, and a powerhungry agent. His miracles never happened contrary to Christ`s where his miracles are still seen to this day. Muhammad was a pagan from a family of pagan witches, and a conjurer! He conjured false tales to destroy Abrahamic religion that inverted the entire Bible! At the time of Muhammad: 1400 years of historical texts were wrong: Muhammad was right.

Jesus was the master of all arts, and made the smartest men of mere fishermen. These simple men left behind a Biblical gematric heritage, and para-mythological tale even more majestic than Moses! 12 disciples changed the world through love with the world against them! Muhammad changed the world through war with the world on his side.

All romans, and jews agree that Jesus was crucified, and not Judas. The science of miracles shows that never in recorded history has God changed the appearance of a person. That is spiritually impossible! It is an unscientific miracle! For it has never happened in any other abrahamic account! Yet a billion people of today believe Allah changed Judas appearance to that of Jesus because of Muhammad.. When have you ever seen Allah do that? I have seen countless of miracles by Christ! But not one of Allah. Jesus is alive, and doing the SAME miracles today. Allah does not do the same miracles today. Allah cannot change the appearance of a person.

Jesus was pretty well known by character and appearance. I think the odds are a billion to one in that Judas was crucified. The story is so strange that if you would make a movie about it: Nobody would believe it, and all would judge it as false in their hearts. I have seen the seven heavens, the abyss, Mt.Purgatory, and the angels guarding the gate to Heaven in an out-of-body experience myself. They only accept "Jesus coins" before heaven. And there are no 72 concubines. Very matriarchal for a moon-fertility-cult. It simply makes me angry! The question angels ask most Christians before you enter Heaven is: Did you learn to love? Islam is not the religion of peace. Ask yourself this. If Islam is the religion of peace: Is buddhism, and Christianity the religion of non-peace? Violence? Does not statistics speak for itself?

Did you know you get a bag of coins for each person on Earth through accepting Jesus? And every coin is more precious than all riches on Earth! That`s right! Every christian is the richest man on Earth! We have eternal life to give to everyone through Jesus who fulfilled, and freed us from the Abrahamic law.

But Muhammad brought us down under that saturnian law of El once again.

Much of what Muhammad said was good. Much of what the pope said was good as well! Both are beasts of Revelations. *It`s just another mooncult the Illuminati Jesuits made to balance the sun-cult of christianity from taking over the entire world.* If all became Christian: Why should there be any more reason for war? The Illuminati would have failed *if not for Islam.* Mecca sits on seven hills as the Great Harlot in St.John`s Revelations does. Rome sits on seven hills as well.

We will discover they are the 1st, and 2nd beast of Revelations: To ruin the work of Jesus Christ.

We see the Islamic customs as outdated because people, and cultures change with time as has i.e occurred with the graeco-christian biblical view of women, the hindu caste-system, and the jewish mosaic law. Yet Islam is different, and must be considered most dangerous for humanism as it does not change, or reform due to the ultra-conservative faculties like f.i the Al-Azhar university. It

is f.i known that the Mosaic law, and sharia law are phenomenon that occurred rather recently in Earth`s long history, and we advocate that sharia be banished, and criminalized just like we no longer practice stoning.

We all agree the Islamic customs of hanging, anti-feminism, stoning, and sacrifice is ludicrous, and against UN human rights. All of Islam could be torn apart as garbage so easily by *spirit science, NDE and miracles*. Christians are being massacred in the middle-east, and the media never reports it. Jesus says this is Satan`s world. The rulers of Earth want to have truth for themselves. There is thousands of factual examples of this. All evidence thus points out to that Christianity is true, and a threat to the satanic elite.

I believe Muhammad was a false prophet as the Bible calls him, and a megalomaniac. I believe if it was not for the law against leaving Islam, it would have dissipated shortly after Muhammad`s death. Muhammad made the arabs glorify Islam, and create false tales of him when the Quran was compiled 100 years after his death. All to empower their conquests: For religion is always abused as a powertool.

I simply cannot believe it worked.

Muhammad as the second beast out of the Earth. Revelations 13:11

¹¹ Then I saw a second beast, coming out of the earth. It had two horns like a lamb, but it spoke like a dragon.

Beasts are empires in the biblical language of imagery.

The first beast was the roman empire of Judas. It was Judas who made the romans crucify Jesus: Thus creating the Christian Roman Empire. Many books have been written on this. The Bible says the first beast arose from the sea. There was only one sea. The Mediterranean. The second beast arose from the Earth (desert.)

Baal, El and Ishtar/Isis/Inanna also had *horns* like the second beast. Hubal was the prime deity of the Kaaba meaning "spirit baal". Allah`s daughter was Al-Uzza the fertility goddess just like Ashtar/Ishtar is the son of El. Allah is El. Frankly: These fallen angels the Gods of *Islam* today! The symbol of Islam is the crescent moon, and star. Horns. The two horns of Isis is always depicting the

moon like it does in Islam. From the left you have Inanna/Ishtar/Al-Uzza, Baal/Hubal/El, and the symbol of Islam:

This is the most mentioned devil in scripture: Look up Ashera. If there ever was a biblical devil; it's her, and her *consort* EL/ALLAH!!! There are hundreds of places across the globe are named after her. She was equated with the Babylonian Ishtar, the Canaanite Ashtaroth, the Sumerian Inanna, the Egyptian Isis, the Greek Aphrodite, and the Arabian Al-Uzza etc etc etc etc. They worship a meteor! The fallen angels, and the planets: Forbidden by Israeli prophets!

You see there is a close connection between the Great Whore of Babylon, and the second beast. Stay away from her. She is historically the great enemy of Yahweh, Jews and Christianity. Most Muslims await the return of Jesus. May Jesus come as the Muslim Judas from the shroud, and be The Devil Lord Ashtar? I warn you.

Now. Most Christians believe the second beast is a person. This is prophet Muhammad. Think about it. He is the perfect anti-christ/counterfeit Christ! He was a prophet of Judas the first beast! He says Judas was crucified; not Jesus.

What does the Bible say about him? It calls him "the false prophet from the earth/desert". Muhammad arose from the Arabian peninsula/desert. (while the first beast arose from the Mediterranean sea: The only sea there was) spoke like a dragon, and had two horns. Muhammad was like holy lamb, but spoke like a dragon. The Bible calls the dragon the father of lies, and the deceiver. Muhammad was a father of lies. He called down fire from Heaven (analog of kissing the meteor, and worship of stars/Lucifer), and made them worship the first beast: Judas. He even made the image of the first beast come to life! Will Jesus of the shroud be resurrected as a Muslim Christ? Isis? Ashtar? The beast even took over the world so nobody could buy, or sell without obeying the Islamic state, and take the mark on your right hand. (verichip credit-card implant.)

Remember; the second beast is a spirit working. When the antichrist/counterfeit Christ Muhammad returns in it`s ultimate form; he will probably be a jew, and invent a global currency as the Bible says. Judaism/Islam will according to the Bible start a NWO with a global currency.

The word "bismillah" which means "in the name of Allah" is numerological for 666. Many muslim scholars argue there are 6.666 verses in the Quran..

- There are 1,000 verses about *wa'ad*;
- There are 1,000 verses about *wa'id*;
- There are 1,000 verses about *amr*;
- There are 1,000 verses about *nahy*;
- There are 1,000 verses about information and stories;
- There are 1,000 verses about prohibition and examples;
- There are 500 verses about dominance;
- There are 100 verses about prayer and glory;
- There are 66 verses about *nasih* and *mansuh*;

Therefore, the calculation of verses is 6,666 verses.

That does it. MUHAMMAD WAS THE SECOND BEAST FROM THE EARTH/DESERT: THE FALSE PROPHET: THE PROPHET OF JUDAS: 100% CERTAIN! He was an analphabet who simply didn`t remember the biblical stories correctly, and added to it when he told his followers the stories of the Quran. (Unlike Jesus who was the genius of a millennia)

There are many places in the Islamic world where loudspeakers on the street proclaim; "Judas was crucified, not Jesus!" So teaches the Noble Quran. Why do they proclaim EXACTLY this? For it is a demonic hierarchy.

Now.. Jesus had a brother named Judas. Coincidence? Not in scripture! There were two Judas`s. Jesus brother who co-wrote the Bible, and Judas Iscariot the Devil.

It is the same story as with the Egyptian Set and Osiris. Both Set, and Judas killed their "brother".

In comparative mythology; the worshipful attributes of Osiris, and Jesus are close to identical; although many compare them too much, and make up lies to dethrone Christianity. Be aware of false gnostic teachers! Double check. (I wish I had the time for that. Some should write a book on the Lucifer christomoi. It would sell.

The second beast as Islam and Judaism.

Now remember: The second beast is an entity, and spirit comprised of many historical people, religions, factors, and having rulership over many instances.

Most biblical scholars see the second beast as a system of governance that we live under today. I agree. It is in the broadest sense America, or the monetary world system. Rothschild. Remember; the beast is a spirit. Let`s cover another theory before we move on.

1260 years after the Church was established; the Vatican was invaded by Napoleon Bonaparte (a military beast) just like the Bible predicted would happen after 1260 years. The Bible says "the beast destroys the whore/Rome", and the Rothschild supported socialist philosophers took over France along with the Rothschild banking system. The Rothschild`s created the french revolution, and funded the three communist philosophers. These are one interpretation of the three frogs of revelations. The Vatican/Rome supremacy was overthrown after 1260 years by an even more powerful beast-system which adopted it`s satanic power: *The newly established Illuminati, America, and Rothschild (banking system/socialism/corporationalism) became the second beast!* The world changed into a completely new modern era, and feudalism was ended. They took control over, and made universities, science, the freemasons, hospitals, culture; preparing for the world empire etc: All ending up with the world we have today.

I therefore advocate a return to anarchistic tribal patriarchy as was in Israel under the judges! Village, and farming societies is the way God wants us to live: cultivating soil and soul. The Vatican made it`s own demise, and went second beast for it`s global 666 plan. Illuminati: Rothschild 666 banking, Hannovers, America, communism, Islam, and judaism etc took over the beast status of the first beast, and much of Europe became reformed under Martin Luther.

We are the true Christians who stand against the beast!

The lies of Baal.

Easter Pesach in Hebrew is Passover, Easter is Ishtar, (Semiramis, widow of Nimrod, mother of Tammuz) the name of the bare-breasted pagan fertility goddess of the east who came out of Heaven in a giant egg (or meteor) , landing in the Euphrates river at sunrise on the first Sunday after the vernal equinox, busting out turning a bird into an egg-laying rabbit. After that point in time the priest of Easter would sacrifice infants (Ishtar-pigs/Jesus/Earth-pig), and then

take the eggs of Easter, and die them in the blood of the sacrificed infants. These eggs would hatch on December 25th, and that is where those pagan holy days come from.

In ancient mythology, the most popular goddesses "came to earth in a ball of fire". Meteorites were sacred to the arrival of the goddess. The ancient Nabataeans, and the Emesans revered a sacred black stone they called El-Gabal just as goes on at the Kaaba today where they kiss a black meteor inside a vesica pisces (vagina of the goddess Al-Uzza). El is the caananite word meaning God or Devil. He was the chief God of the caananites, and the father of Baal, and the Baal's. He was himself a Baal. Baal means Lord. His consort was Asherah.

Jeremiah 19:5

" They have built the high places of Baal to burn their children in the fire as offerings to Baal--something I did not command or mention, nor did it enter my mind."

Deuteronomy 12:3

Break down their altars, smash their sacred stones and burn their Asherah poles in the fire; cut down the idols of their gods and wipe out their names from those places.

Islam believes there are no fallen angels, and that the judeo-christian version of history is false! Judeo-christian belief share the same retelling of pre-history as all other mythologies. Both Sumerian, Greek, Babylonian, Hindu, American, and Nordic mythology share the belief in two set of Gods, a former race of giants (of which there are skeletons) , and the fallen angels/Gods. These gods are the Olympians, and the so called "younger Gods". Magick is Christian and Jewish. In magick: you can summon the fallen angels. They present themselves as fallen angels: Not as djinn. But the muslims believe fallen angels are what they call the race of djinn! It is all in all a sad, typical rendition of the antichrist inversion of truth as we've seen countless times. But the evil plan worked more than imagined.

Magick which is a real_science proves them to be fallen angels! You can summon fallen angels! Islam cannot be termed a religion from a religious-historical, and perspective of science. It is termed a forgery.

The Bene Nephilim: the sons of the fallen: the fallen Elohim are plural. That is why Allah adress Muhammad in plural throughout the entire Quran. It's always

“we did”. It’s worship of the stars, and the Gods of the Kaaba. The Baal’s. This should be obvious.

Hubal was the chief deity at the Kaaba prior to Muhammad. It translates to “spirit Baal.” Baal means Lord. This is Beelzebub in catholic demonology.

The symbol of Baal covers most Islamic national flags. It is the crescent moon and star. I have unwillingly been a witch myself, and know Satan can take the form of an angel, or present himself as a djinn. I feel Muhammad all too well. Muhammad received words from “Archangel Gabriel” in a state of demonic trance. I have experienced the same thing. Satan always takes the form of Gabriel when he assumes an angel.

Symptoms of this trance is sweating, hyper-ventilation, increased warmth etc. Islam reports Muhammad had these symptoms when he received words from “Allah”. I have experienced this from none but Baal and Ashera: the deities of Islam. Satan is only a title. The real deal here is the biblical Ashera (consort of El) and Baal whom we covered earlier. Ashera is Al-Uzza, Ishtar, Inanna, Astarte, Aphrodite and Isis in comparative mythology: the pre-muhammad goddess of the Kaaba where they had fertility rites in her name. Al-Uzza was one of the prime deities worshipped as the daughter of Allah at the Kaaba – synonymous with Ashtar daughter of El! Allah is El! Both El, and his consort had two horns like the second beast of the apocalypse. Isis is the name of the islamic state of the present war! Look at the crescent moon and star from Babylon. Look at the head-dress of the horned Isis. It’s the symbol of Islam. Ashera/Isis/Ishtar is the demon Ashtaroth in catholic demonology. One of the princes of Hell. It’s a he.

Enoch with his Heavenly library has told me Islam was a forgery. Catholic occultism equates Allah with Baal. Beelzebub in fact, or the Sumerian Enlil. “The prince of the air.”

The God, and his wife: El and Ashera come from the Egyptian Osiris and Isis: The oldest religion. It is worship of the fallen stars/angels. Kissing the meteor so to speak.

Ilah was a south-arabian moon-God, and was the Allah they worshipped at the Kaaba prior to Muhammad. It was El with his daughter Al-Uzza the fertility goddess! Muhammad made use of Allah since it was close to the jewish God El. Both whom were moon-gods. Both are worship of the fallen angels and Lucifer.

Remember! Muhammad was dedicated to El by his grandfather! He was a possessed like I am! I too went crazy because of the moon-saturn God! When I hear “Allahu Akbar” all go crazy, but I know he is isn’t the *highest* God!

The Kaaba was sacred to the fallen angels! They sacrificed humans to Allah, and Hubal there, and had sex-orgies for Al-Uzza/Isis/Ishtar/Ashtar!

The Kaaba is a black cube with Isis` vagina on it. Google vesical pisces. There is a vagina on the Kaaba, and inside it is the meteor of Inanna-Lucifer! All muslims must make a pilgrimage to Mecca (hajj) to kiss the fallen star! All muslims alive HAVE to make pilgrimage to Mecca to kiss "the fallen star"/fallen angel inside a vagina! I say they still worship the fallen star/meteor of Lucifer: the Morningstar Venus Al-Uzza, and the moon-saturn God El/Allah at the Kaaba. As the Bible says: "They forsaked God, and worshipped the stars." But this is not what the muslims themselves believe.

Muhammad`s first verses were received in Mecca, but Muhammad`s teachings did not root for many years, and he only got few disciples. But he was determined to carry out Allah`s command. So he came to Medina where there were jews. He learnt that Allah was a generic word for God. He used this.

Muhammad who took all he heard from the jews and christian, and turned it upside down to serve his personal goal, and to empower his people. He was psychotic, and could not remember well: Thus he retold the jewish stories from his own imagination as he was a dyslectic.

The lure of Islam becomes particularly great because it has terms as holiness, reverence of God`s name, etc. All near-death-experiences by muslims are of Jesus, and not of Allah. In near death experiences: Jesus repeatedly tell he is the God of Abraham, ISAAC and Jacob, not Ishmael which is an unhistorical forgery 3000 years later.

That Islam contradicts all scholars at the time it was written, and proclaimed they are Israelites while not being it is a serious crime! You can`t proclaim to be Israel when you are their enemies! You can`t steal a cultural-historical legacy! You will return to messianic christianity!

We hate the false tales regarding Jesus, Solomon, Ishmael, the Biblical canon, or any other fairytale that is of the spirit of the antichrist whom we believe Muhammad to be; as he fulfills all prophecies regarding the 2nd beast from the Earth/desert. If you read my chapter on Revelations: it is clear the first beast is Judas Iscariot: the son of perdition who arises from the bottomless pit. The second beast is clearly described as being the prophet OF the 1st beast: using all the power of the 1st beast.

The story of Islam

Let's analyze Islam. Abdul Muttalib was Muhammad's grandfather. He made a vow to Allah to sacrifice one of his sons if he got ten offspring. He got ten, and there came the time for his vow to be fulfilled. Human sacrifice to Allah??? His youngest son Abdullah was chosen. The place of sacrifice?

The uproar of the human sacrifice to Allah ended with seeking a witch who told Abdul to cast lots between camels and Abdullah. Ten camels were added each time the lot fell on Abdullah. It ended with a hundred camels. They repeated the experiment, and ended up with hundred camels again. Yeah right. This derails from all science known of miracles which makes it a forgery.

The 100 camels were sacrificed at the Kaaba. Abdullah then begot Muhammad the illiterate. He could not read! But he learnt from the jews, and Vatican that he was the antichrist. He then turned all things upside down. It's no harder to believe than that Hitler, or Obama rose to power. People *are* misled! Muhammad was from a family of Baal worshippers at the kaaba? The crescent moon, and star is the ancient symbol of Baal from Mesopotamia! It has never meant anything else than Baal, and never will do: Even if Muhammad makes a huge riot, and become masculine, and popular with men because of his fairytales.

Muslims proclaim hysterical, unhistorical fairytales regarding the Kaaba saying it was a place of worship first for the angels, then for Adam, and then for Abraham. Yeah.. I bet they fornicated too like in Muhammad's time, or in the historical Baal period before Muhammad. History tells us there was no judaism in that region. Don't you think a patriarch which the Bible reveals had so much knowledge as Abraham would leave a trace to his own people (not the muslims) ? We can therefore conclude that Abraham (if he existed) never went to the Kaaba!

The biblical tales are scientifically proven by archeological findings, Ron Wyatt, miracles, NDE, and dead-sea scrolls contrary to Islam.

The Quran was not made until 100 years after the "prophet's" death: Creating the written alphabet at the same time. It therefore holds little validity among scholars. The accounts of Jesus are however in the HUNDREDS, written while the apostles were still alive. I wonder if Muhammad's stories are true, written 700 years later – contradicting established history. It's a fraud.

Comparing Islam with Christianity.

Whereas Christianity is a true religion validated by the science of miracles, and magick; as all of Hell, and Heaven state Christ`s sovereignty, Islam never had a single proof. Poor muslims.

Whereas Christianity was founded on global religious beliefs of comparative mythology, Islam is clearly seen as an outgrowth from nowhere. A fiction. Whereas Christianity built on acknowledged religious, and factual history; Muhammad gives only fake retellings of the judeo-christian tradition.

Whereas Christianity was founded on love, and non-violence, Islam was forged by the sword. Whereas Christianity was forged by mass-sightings of miraculous evidence under a roman empire, Islam was forged of lies under no empirical government. Whereas Christianity was formed by 12 disciples without anything but miracles; Islam was founded as a military strategy by a powerful, organized majority.

Whereas they sacrificed children to Baal, and muslims have to die for Allah: Jesus died for us. Whereas Islam came as fabricated tales out of nowhere: Christianity had a 10.000 year+ history of occult science. The God of Jesus was not the biblical Baal, or the second beast of revelations which is Islam. The God of Jesus was Ehyeh Asher Ehyeh, Yahweh Elohim, and Elahi is not the same as Allah. The only reason Islam still exists is because nobody are allowed to leave it.

Ok. I will cover this shortly. We discovered the conspiracy of the satanic trinity of the beast-whore-dragon. Islam, and satanic, corporate, talmudic Judaism is the second beast of our age, and works together. Islam is nothing but a false gospel preached with no basis in history, or established schools. If anyone preaches a different gospel than what heaven, miracles, science, and testimonies have established for 2000 years; he is either indoctrinated, or a fool. Whatever he is: He`s cursed. *The law is a curse.* Welcome to Heaven.

Where christianity has a message of mercy, and was forged through love, and sacrifice, Islam has no forgiveness from sin like Christianity. A muslim can never know if he goes to Heaven! And they don`t have any personal relationship to the divine. It`s only about submission. Islam only steals, and borrows from Judaism and Christianity: turing everything upside down.

You see this inverted, antichrist teaching when Muhammad preached Ishamel as the good guy, and Isaac, and jews as the bad guys! It`s heretical, and contradicts all validated historic literature! Here we go again: It is an obvious antichrist project seen through both scientific, historical, and Biblical eyes. Perhaps Islam

was a Vatican creation? Do you really think this mad antichristian conspiracy came about by itself??? It was forged: Just like any other conspiracy.

God has no emotions other than seeking people who uphold a law? God has no personal friendly relationship to humans? The word muslim translates to submission! Islam is slavery that doesn't bring you any closer to God! It makes you more pure, but it doesn't give you an admission ticket to Heaven! You don't have to bow to God! God accepts you just the way you are! He made us to have company! God walked with us in the garden! God loves you! He doesn't care about the religious laws.. He wants to get to know you. He loves you.

I don't hate muslims. I hate islamists, jihad, war, terror, rape, invasion, destruction of property, riots, ungratefulness, harassment of women, sharia, and their bloody statistics!

What shall we say? Are we westerners a different superior race than muslims due to scientific statistics of rape, violence, murder, and medieval slavery? No! That would make us no better than muslims. Yes.. Muslims believe they are the superior race, but sorry: All evidence testifies the opposite. Not judging individuals! Muslims are ethno-religious supremacists. They are no better than Hitler. I personally understand. They hate America which ruined their country; come to the west who ruined their country, and see how we have no culture of our own beside American popular-post-modern culture. If only Norwegians acted Norwegian, kind, and displayed pride; all would be equilibrium! We could coexist! They come from sharia-law! Shall we thus tolerate the rape wave of muslim men? No! Islam is only a forgery of fairytales to empower the arabian people, and Muhammad's bloodthirsty conquest. It must be reformed, and conquered by civilized western values of love and light!

Muhammad became popular with the women, and was a great leader. Yeah. A great SCANDAL! The world's greatest charlatan. A false prophet; leading them to God, but not to enter heaven through Jesus. He was a prophet of Saturn; binding them to the cross of Saturn. He undid what Jesus died for, and bound our souls under sin: The law Jesus fulfilled, and freed us from! He holds a record as the truest personification of the second beast in St.John's Revelations.

The biblical Moses was led by historically proven supernatural signs, and created a perfect, mystical, and viable rendition of super-high-tech truth which all schooled jews who followed him accepted as a continuation of all pre-existing religions! This was not the matter with Muhammad. Islam is unscholarly mumbo-jumbo from a dyslectic un-educated man while Moses was a Prince, and Jesus was a royal.

Moses was a super-scientist! An Egyptian high priest! The arc of the covenant is in St. Mary of Zion's church in Ethiopia, and all who guard it get cataract due to radiation damage! There are stories of several Egyptian super-tech arcs. Moses was a scientist. A priest elite. He knew what he was talking about. Archeological findings of Ron Wyatt support biblical history! The Bible is true! But knowledge is power, and power is being taken from the public.

Moses created a numerological code in Genesis so perfect that it was either God's word, or the work of a supercomputer. Ivan Panin discovered this. The 7 digit system of recurring gematria in Genesis 1 alone is a coincidence of 1 to about a million. Scientists tried, but could not duplicate it in any language! The Quran has no gematric value that I know of, and is comprised of imaginations, and fairytales that contradict all established scholarly views of a tradition that had been kept for about 4000 years at that time Muhammad rewrote it.

Islam became a strict religion in harsh conditions that needed harsh laws: forged by the sword. He gave us impossible commands to seem more holy, and to create a priestly aristocracy. The mosques are both a religious centre, and a military barracks. Islam is 1400 year old war-propaganda of a long diseased man! Lies! A minority of sunni muslims even consider jihad as the sixth pillar of Islam. The five pillars of Islam is what every muslim MUST do! And the most radical muslims dominate the rest! What has Allah ever done to any muslim? Nobody gets healed as we do! The poor muslims don't even have a personal relationship to the divine!

Dear muslims. God Yahweh loves you just the way you are. You can come before him without obeying sharia. He demands only you love him. Through love comes relationship, and you get to know Abba Father, and Jesus as a friend, and not his slave to whom you must bow. Jesus calls us friends. Through relationship comes love for God's law given through the new covenant of the New Testament.

But the antichrist was wise. Laws give the adhering muslim an emotion of reward: the false sensation of closeness to God and prestige. *It empowers Islam through making distinctions between observant, holy members, and the rest.* It helps fuel the hatred towards non-muslims, and those who fail the law. This cannot be at the core of God's heart through philosophical terms! Islam is an ancient war-propaganda from a by-gone era! It is antihuman and medieval! It contradicts everything of the west!

Without Christ: You're basically fucked! Satan can't touch most muslims who live holy lives, and leaves the unfaithful alone as they are already "done for". That is why few muslims ever get possessed; but many still do!

Don't be deceived! Don't let laws deceive you with a sense of holiness, and purity before God!

It should at least be reformed, and taken to common sense!

God is merciful!

Muslims worship God correctly in many manners, but have not his FULL name, salvation in Jesus, or entry to Heaven. Near-death-experiences tell us this truth! Just youtube "muslim healed", or "muslim near death experience", and you will find hundreds of Christian testimonies. ☺ Youtube will soon probably ban all Christian media, and Christianity in general. You will have to fight for the evidence! Jesus loves muslims higher than anything. I know you will one day find him, and break free from the lies. Stand in the light!

The greatest achievement in the human species which makes us distinct from all other mammals is our self-sacrificing love. That which Jesus did on the cross! God is love, and binds all together. It is the driving force of life.

The law of the heart, and the sanctification process through intimate relationship to God gradually makes you stop sinning, and leads you to the law as God: Not the other way around! This is very important. God is not inhuman. Any other procedure hardens the heart, and leads to more bitterness; and thus more sin and evil; empowering the law, and not the freedom. Lawishness raises bitter children. I know that personally. That is why medieval sharia is so dangerous. You hear muslims saying "heathens are like animals less than dogs" just because they are proud, and bitter through CRUCIFYING themselves under the law! Crucified to the cross of Saturn which Jesus saved you from!

God is not strict. He set up laws because they are good for us. We believe one thing is a sin for one, but not the other, because God knows, and loves you. **Romans 14:22-23.** This is the law of LOVE! The law of the heart! He made you! He knows your weakness and desires!

God let's you walk the journey slowly so you don't either hate yourself, or become proud of yourself for being either saint or a sinner! God is merciful.

I see *sharia*, and *radical* Islam as illegal in their hostility towards humanity: Hostile to a human God. I see radical Islam as hostile to the united nations declaration of human rights, free speech, humanism, western culture, science, and the development of peace.

We cannot have perpetual peace based on lies! Islam: the second beast: must never become stronger than it is right now, and it would be a spiritual disaster if

it becomes world dominating. (As is every devote muslim`s goal.) Islam must be reformed much like Christianity, and judaism has been. In time: It will disappear. Love.

God`s ways have changed! This is a different age! We must correct our beloved muslims! The Quran should be rewritten, or rather completely abolished! Our mission is to discover the scientific truths about God. We cannot let an outgrowth that denies acknowledged pre-existing, religious mysteries, history, and science ruin western-humanistic progression...!

Muhammad makes up fairytales regarding Jesus birth, and muslims put him higher than him who heals millions of people each year! Yet they look away from all this evidence. Muhammad even goes as far as to say he is the "last prophet!" Does a thing like that even exist? This goes against logic, the Bible, previous prophets, and spiritual science; knowing the Earth has existed for forever! Each age creates new prophets! Every serious religious scholar, and magician knows! There are millions of prophets today. There are millions of Christian prophets who can prophecy, see lives, their futures, and heal in God`s name!

Muhammad was a egomaniac war-strategist. A very hostile being who deceived us.

That there will be no other prophet than Muhammad is the same old antichrist trick of putting all things upside down to eliminate competition, and destroy Christianity. It came straight from the devil!

Repent of your idiocracy

Oh! Islam how I weep for you! Your great minarets, and your faithfulness to God! Your beautiful culture, people, and your love for God`s holiness! How can you continue being deceived! Turn to the light, and join any Pentecostal, Christian church! Keep your traditions, and your laws if you like, but believe in Christ as crucified saviour! You must see it! Turn to Yah-Alloh, and embrace the Christian Jesus as savior in your heart. Why don`t we test it out? Let`s call upon our Gods, and see who answers us, and how many are healed! The battle for Norway is on. I challenge you to which religion is most peaceful, true, loving, rewarding and civilized.

To my dear muslims. I want to break your chains. I want to liberate your army, and set you free to fight the real enemy together: the Satanism that corrupts every religion! The fight for freedom, the human genome, and our status as upright creatures of knowledge, power and independence. The fight against the oligarchy! I want all to be freed from illusions!

We know from major studies on OOB, and NDE that Jesus acts as our saviour, death-angel, and interceding high-priest who forgives sin, and carries us to heaven as is biblical. He is also God's son: allmighty God. I say death angel as the concept in Judaism is that AA Samael is the one who carries the lost to Heaven. This is not true folks! Jesus, and sometimes other angels do carry souls to the eternal abode of peace.

Dear muslims reading this. You've been badly misled, and wronged against by ancestral beliefs you were not a part of! ESCAAAAAPE! Spread this word! I urge you to pray to Jesus, and experience his loving embrace. When you feel him, you will know you have found peace, love, and recognition. It will feel like it's the first time in your life, and you will never go back. You have found a friend, and a lovely father who cares, understands you, and wants to be your friend who loves you just the way you are. He will lead you to the intimate relationship to God you always longed for oh brave muslim!

There are two things I want you to remember from this chapter. The first thing is that God is merciful, and understands you. The second is that "your prophet Jesus" is the "angel of death" (not Samael) who carries the soul. PLEASE remember this if only slightly when your days are over, and you lay on your deathbed. Give him a chance. If you repent, and call upon him: HE WILL COME! I will end by saying this because I believe most muslims are closer to Heaven than what many christians think. Yet they will not come in unless through Jesus! Repent! There is always mercy. God bless you. Amen..

Some of the Islamic morale of veneration towards God is good. Most of the Quran is good; especially the first part. (aside from falsification of the the judeo-christian Bible) Islamic respect, and reverence to God's stature, and laws come from Heaven. Many mosaic laws are rebranded in Islam, and comes from judaism! I love the laws, and it makes my heart rejoice. I especially love how they have daily prayers. I love how they read sacred scripture with song! I love the shouting from the minarets! *I just wish it could all belong to Jesus, that they would be saved, and could burn for something else.* Remember: I am a messianic jew. There is much I don't like about the west, and I'm not saying Muhammad was wrong about everything! I don't care if they hate swine, and circumsize their offspring! I just don't want it crashing with my Christian west, and I think it goes to far with the sharia courts...! This must stop!

Jesus loves muslims! There is no wonder Jesus meets so many muslims in dreams. The arabs are strictly speaking his relatives. (or my relatives for that matter) *Arabs especially are a zealous people, and Christ's brothers whom he loves immeasurably.* They are so close to God, but have not stepped across the finish-line through salvation in Jesus! They are bound beneath that LAW! And it makes me angry that so many are oppressed, and away from salvation! Many

muslims are more zealous, and radical than Christians! This is much because of how Islam grew in Arabia contrary to how Christianity grew in Rome. Arabs are more fierce. I love how they wash their hands, and feet before prayer! This is a biblical custom!

It is my belief that Islam will reform, and give glory to Jesus!

The new Jerusalem as Mecca or the Great Pyramid?

The New Jerusalem is the measurements of the Great Pyramid of Giza!

The disciples were into the pyramid calendar, and the 144,000 white limestone covering blocks! The New Jerusalem is a pyramid copy of the Great Pyramid only 10,000 times larger! No such structure could exist in the natural – even if the Earth is flat! It is only an allegory!

Revelation 21:12 “It had a great high wall with 12 gates...”

Revelation 21:13 “There were 3 gates on the East, 3 on the North, 3 on the South and 3 on the West...”

Revelation 21:16 “The city was laid out like a square as long as it was wide...”

Revelation 21:17 “He measured its walls and it was 144 cubits [200 feet]...”

Revelation 21:24 “The nations will walk buy its light and the kings of the Earth will bring their splendor into it...”

Revelation 21:25 “On no day will its gates ever be shut for there will be no nights there...”

Revelation 21:26 “The glory and honor of nations will be brought to it...”

Revelation 21:27 “Nothing impure will ever enter it nor anyone who does what is shameful but only those whose names are written in the Lamb’s book of life.”

Revelation 21:16 “He measured the city with a rod and found it to be 12,000 stadia [2,000 km]...”

This is Mecca! It has 12 gates, matches all verses, and has a sacred cube. The length of the city (2000 kilometers) is the distance from the Al Aqusa mosque in Jerusalem`s Temple Site to Mecca with the Mosque in Medina exactly in between! These 2000 kilometers are exactly 666 nautical miles.

The future kingdom of Jesus is a spiritual pyramid covering large portions of the middle-east! But the ancient Illuminati has created a cover-story! Muhammad

was the false prophet, and Mecca sits on seven hills. Islam is a false version of the original New Jerusalem intended by St.John! It is an outgrowth, and creation of the first beast Vatican; the disciples of Judas! Islam must be retaken for Christ!!!

Is it possible that the Islamic Jesus (Ashtar/Isis) might return after the last Magog war, and proclaim Islam to be the true religion? Poor St.John.

In the same way Catholicism is both good and bad; the New Jerusalem might have good, and bad aspects just as our world has Christ`s, and Muhammad`s kingdom. That is their plan for their NWO. The sun, and moon-cult: Christianity and Islam.

The Bible is clear! Christians must retake Mecca for the new Jerusalem! It was God`s plan to lead Muhammad, and Christianize the Kaaba complex. It was written about in Revelations! We don`t know if it was Muhammad, or his followers who corrupted Islam: But it is our job to see that God`s plan is made right.

Summary: Islam vs Christianity.

Islam floods our borders, and skyrockets the crime statistics. They are like dogs, pigs and monkeys; ruining our welfare-state. They claim the religious right to violate our laws, and core humanistic values. All based on ethnic-religious supremacy. It reminds me of the ideology of Adolf Hitler.

The civilized, kind, pacifist human man: The civilized aryan: Chooses to love, and nurture the angry Muslim: Hoping they will integrate. While some do; there are still millions who claim the religious right to enslave us as sex-slaves. Their zealous spirits of imprisoned lusts lead to ideologies of prideful religious supremacy where the non-Muslims are no less than dogs and pigs: While it is truly just a way for their instinctive mind to counterweight the pain of being a slave to law. It is the Muslims who are untermensch: Slaves to idiocracy.

While Christianity has reformed, and threaten Rothschild despotism; Islam is still in the medieval ages with EXTREMELY unscientific, and discriminating views on women, Christians, Jews and whites. Perfect for world domination.

But not all Muslims are bad? Incorrect. Islam is defined by the Al-Azhar university in Cairo which seeks worldwide Muslim dominance. And leaving Islam is impossible. You`re either in or against. The radical Muslims own, and define the rest contrary to Christianity where it`s the other way around.

The lies of Islam.

Muhammad, and all his tribes were pagans. Not Israelites as he claimed. Saying anything else is incorrect. Jesus showed us that we do not have to live by the Islamic, or Jewish law of El. He resurrected to Heaven, and intercedes for us; having undone the law through his power as God`s son, and "perfect sacrifice." The law is not valid. We cannot know if the law ever had any validity. Perhaps we simply had forgotten God had a son whom we are saved through.

Islam believe Judas was transformed into the likeness of Jesus, and crucified in Jesus stead. Islam has no historical, scientific, or spiritual validity. There were 5000 written documents on Jesus from ancient times. Jesus is about 1000 times as more documented than Julius Caesar. He is the most documented person in ancient history. Islam cannot be termed anything but a forgery. It is solely based on falsification of Judeo-Christian sacred texts. It is THE religion of racism, in-humanism, violation of human rights, and subjugation without questions. Islam was planned, and created as a false religion by Satanists to destroy the work of Jesus on the cross. They say Judas was crucified instead. Perhaps Muhammad forgot the actual story as he was a dyslectic. That Jesus was crucified is undisputed by historians, Jews and romans. I am happy to be a non-muslim, and will never convert to idiocy. Muhammad learnt from jews, and Christians in Medina. He was a schizophrenic who believed he was an Israelite. He even believed he was an Israelite prophet.. AND he turned the tales 180 degrees upside down.

While millions of Christians testify of going to Heaven; no Muslim ever reported a Near Death Experience of Heaven. All Muslims who die, and come back report of a Christian Heaven. Go to youtube, and check it out.

Millions of Christians are healed every year as you see on youtube. But Allah never did anything to for any Muslim. He doesn`t even have a relationship to them. What a God. Truly something to die for; when you don`t even know him. Christians establish a direct, constant, personal, intimate, friendship with the divine, as do most other religions aside from Islam. Islam was created to ruin the Cross, ruin Abrahamism, subjugate humanity to impossible standards, and take away the mankind`s salvation, and relationship God.

The Quran is lies fabricated 100 years after Muhammad the prophet. Christianity calls him the false-prophet-second beast of revelations from the earth/desert. Secret theology of the Catholicism has held the belief that Judas was the first beast from it`s inception. Muhammad is Judas prophet. Insiders even claim Islam was instigated by the catholic church. They say historical records in both Muslim, and catholic hands verify this.

Christianity is an eternal religion as true, and old as the sun itself. It goes back through Judaism to ancient Egypt, and from there to Atlantis. Islam is a forgery by a mad "prophet."

Genesis, and Matthew 1 have a 7-digit numerological perfection. Both Judaism, and Christianity have incredible numerological, mystical, and astrological knowledge of the universe, the tree of life (dimensions) , and the true nature of God. Islam has none whatsoever other than the madness that "God is Allah", and "we are moslem".

It`s simply that mad rambling of an illiterate arab who proclaimed to be an Israeli prophet, and could not remember the Biblical stories correctly. What an identity crisis. While Judaism, and Christianity is a science, and root in community consensus: Muhammad was a solitary man. There is no other basis for the Quran aside from one man`s view whileas the former were a provable science determined through miracles, priests, and the community: Having evolved since primordial times as a continuation of religion.

Islam says there are no fallen angels. Wrong. You can summon the fallen angels in the science of magick, and it`s written about them in the book of Enoch 10000 years before Muhammad, but Muhammad didn`t know cause he was a dyslectic schizophrenic.

All spiritual practitioners, and magicians know there is no sex in Heaven. The higher you go: The less sexuality, and carnal desires. Islam believes that what is restricted here on Earth will be allowed in Heaven, while all other religions (on Earth) are contrary. What insanity. He was clearly possessed. Muhammad in his ego-maniac ramblings even take it so far as to say there are 72 concubines for those who die in Jihad.

The symbol of Islam is the biblical lamb with two horns mentioned in Revelations. The crescent star, and moon always symbolized Isis, Baal or El historically. From history, comparative mythology, and magic experience I testify that *El is of course Allah*: Ilah One of the Gods of the Kaaba. The Phoenician God Lucifer. Ashera/Ishtar/Isis is his wife, and has the same fucking symbol. Hubal means "spirit Baal", and was the prime deity of the pre-Islamic Kaaba. Allah`s daughter was Al-Uzza, to whom they had fertility rites at the

Kaaba. Just as Ashtar/Ishtar is the daughter of El. We see this with the terror-group ISIS today.

Islam is Moon-Saturn worship.

The Muslims encircle the Kaaba stone which used to be a worship to 360 gods for each day. They thus represent the rings orbiting Saturn. The death-star. Saturn is Lucifer Satan. They sacrificed humans to Allah and Hubal at the Kaaba, and Muhammad`s father historically escaped this sacrifice to specifically *Allah*. The moon-Saturn God. Saturn is Lucifer. Saturn`s symbol is a black cube (Kaaba). Jesus says he saw Satan fall from Heaven like lightning. Meteors have always symbolized the arrival of the Goddess (Ishtar/Al-Uzza) , as well as symbolizing fallen angels in all ancient near-eastern tradition. All Muslims have to make pilgrimage to kiss a meteor embedded inside the Kaaba. They kiss a meteor inside a vesica pisces (vagina) at the Kaaba, worshipping Al-Uzza the daughter of Allah. They believe the stone absorbed all sins on Earth, and turned black. They believe the Kaaba was a place of worship for the angels, and even Abraham. Whatever Abraham did in Saudi Arabia... The fact is: All Muslims were pagans, and the Kaaba was the house of the moon-god. They had sex-orgies, and human sacrifice at the time of Muhammad. The God of the Kaaba was Hubal or Hu-Baal meaning spirit-Baal. Then Muhammad made Allah replace Hubal; claiming Allah was an Israeli God.

But is not El in the Bible? Yes. But only because it was the word for God they used at the time. Just like we say "God" without thinking of it`s Germanic connections to Odin. Muslims do worship an aspect of God, but it doesn`t mean they enter Heaven as we discover from millions of testimonies. Muhammad was clever enough to understand he could use the Allah of the Kaaba as an excuse to be prophet for half the name of the Jewish God. Yahweh Elohim. Elohim – Eloah – Allah. Yahweh is Jupiter. Together they are describe the God above life and death/ Jupiter and Saturn.

Islam is anti-human. Is God anti-human? No. Only Christianity, and humanism represents the humanity of the Creator, on top of being the only scientifically true Abrahamic religion.

Islam has no basis in history. It even proclaims JUDAS was magically transformed to Jesus, and crucified while Jesus escaped! It has no basis in pre-dating religions. Nor in miracles and science. It simply sprouts up from nowhere like a mad rambling "prophet". Or perhaps Muhammad wasn`t that bad. Early Muslims were mostly interested in trade, and studies show the Quran might not have been Muhammad`s words at all. Shariah came much later, and Jihad came after the crusades.

It seems they are cursed. Poor people. Islam has no astro-theological, and mystic properties like all other religions. It is simply barbaric retelling of a prophet who didn't remember the stories of the Bible correctly, and falsified them contrary to hundreds of pre-existing historical documentations. Islam is barbaric, Arabian war-propaganda based on an illiterate who thought he was an Israeli. All Muslims must abandon Islam if we are to do our intelligence justice. If we see Muhammad from the modern sciences of psychology, history and religion; Muhammad falls into the category of a power-hungry schizophrenic charlatan. Perhaps used by the Vatican to further the pope's interest. Other religious figures like Jesus, and his disciples give a much more documented account. Their religion protrudes as mystical, magical and perfectionistic. A continuation of THAT ANCIENT religion. Astrotheology, and the belief in the Lucifer-sun myth. A scientist can believe in Christianity, but not in Islam.

It is time the Muslims face reality. They are fooled. *We must help them.*

Islam contradicts the 1400 year older stories of Judaism, and Christianity. The Quran is the sad tale of a mad Arab telling false tales of Jesus at a time when the Christian account of Jesus was universally accepted as factual history with 5000 historical pre-Islamic references of Jesus surviving to this day. Muhammad the illiterate probably recalled the stories incorrectly and added to the stories to distinguish his forgery from the true religion. The pope wanted to down the true Christians and Jews. But Islam backfired, and became too powerful. They wouldn't hand Jerusalem, and became a threat. Thus started the crusades. The prophet added to the stories to empower to Arab people, and look more like a prophet. But they're just nomads. Not Israelites.

We must ascertain that he probably did this for the cause of warring conquest. When you first succeed in fooling someone; why not take it even further? Thus the latter parts of the Quran are more violent than the first parts, and the Muslim leadership kept the secret of it's Vatican origins for power. All to this day...

Muhammad contradicts all other prophets who came before him, and is crazy enough to proclaim he is the LAST prophet.

Muhammad led the Muslims back to before Judaism was created, and restarted worship of El. It's not even medieval; it's predating the stone-age.

El was one of the Jewish aspects of the Jewish God Yahweh Elohim, and Muhammad took the opportunity of becoming his prophet.

God is not Allah/Elohim/El/Saturn/Death/Satan. God is Yahweh and Elohim. Jupiter AND Saturn. The all! The I am! Life AND Death.

While Islam praises the moon, and star; the prophets Jermiah, Zechariah, etc of the old testament warns us about this. Wow. Muhammad sure knew his history as an *Israeli* prophet.

In Judaism; the first mention of something is always the truest. God`s truest name is Ehyeh Asher Ehyeh meaning "I am that I am."

Israel is Isis, Ra and El. These are Venus Moon, Sun Jupiter, and Saturn. God is the God OF IsRaEl. The God ABOVE the moon and star. And Jesus is his son. This is the eternal religion of the new covenant.

If Islam was to be categorized from a scientific comparative-mythological perspective of history and magick; it is simply a moon-saturn cult of the ancient God El disguised as an Abrahamic religion. It`s also the most primitive of the Abrahamic religions, and scientifically a complete historical forgery diverting from it`s supposed origin.

Islam doesn`t involve a personal relationship to God as in Christianity. It`s only about submitting. It is subjugation to the awe-inspiring, cold, intellectual power of the "magical death-star" wrapped in a book called the Quran which has a false retelling of judeo-christian texts as to ruin Abrahamism, and God`s Holy Ghost mercy covenant through Jesus on the cross. Muhammad was instructed to tell Judas was crucified instead. They are still brainwashed by Vatican lies.

We have seen how science determines Muhammad as a schizophrenic, megalomaniac, bloodthirsty, charlatan conqueror. We can determine that Muhammad was either insane, a failed dyslectic scholar with bad memory, or a Satanist. Today; we would have sent him off to a mental asylum. Jesus would however be seen as a God of knowledge, if you understand the magnitude of the biblical legends, be them true or not. I believe them to be true.

We have discovered how Christianity, Islam, and Judaism worship El-Lucifer the Old King of the Gods. But Jesus is Lucifer ascended! Instead of worshipping the Kaaba cube, one could simply put a cross there instead. After all: It was Jesus who absorbed our sin, and not some black rock. Also: Remember the cube is another symbol for the cross? A cube is a wrapped up cross.

Through the scientific method of the institute of love and light: Judaism will embrace Jesus as messiah, and Islam vanish in the light of science. How can religion be the only modern thing to avoid investigation by the scientific method of thesis and antithesis? There is lots of hidden science proving a spiritual realm exists, and a university should be established today, not tomorrow. Preferably by Christians.

When Christianity vanishes: The satanic assumption/lie that "all religions are pagan and satanic in origin, and there is no God but death" becomes a terrible recruitment tool for those with knowledge. As children were sacrificed to Allah/El in ancient Canaan: This is the ultimate religion of the satanic Illuminati which Islam might return to. The western elite are satanic, and have capitulated willingly to Islam. Why? To reinforce the ancient belief that God is Saturn (with a thousand names like f.i Abraham, Adam, Chronos etc), and that there is no God but evil. That God, and the devil are actually the same being. It is the same with satanic Jewish programming that their God El demands sacrifice, and specifically child-sacrifice as is encoded into the Bible in the story of Abraham (who is an archetypal Saturn figure) and Isaac. Jeoud is a likelier origin of the name Jews, and was designated as Saturn`s only son out of all Saturn`s sons. See? The lunar sabbath, and sacrifice of ancient Israel was directed towards El. Paganism. But God taught them over time through the prophets of Israel.

He is Ahayah Yahuah. That is God`s real name. "The Great I Am." If you question the ungodly origin of the Jews: Just look at who created the universe in Genesis 1. It is the same gods as in mystery Babylon religion. It was El, or more specifically the Gods in plural who made the universe. The sons of Anu. We already see how Islam takes over the masonic lodge. That is why the sun-cult must defeat them. Or else: The future will bring us back into child-sacrificing Babylon when there is no more Christianity: Christianity which is RAPIDLY dying more than any time in history.

What has Islam done?

It has ruined the life, and happiness of billions with it`s bloodthirst and law. And now it ruins Europe with it`s antihuman godless doctrine!

Christianity is the only true religion. Sweet Jesus. Love is the law. We can bathe, and live under the Holy Ghost`s love. The law never saved any person. Only a personal relationship to our loving Father God, and the law of light living by the heart can save you. But it doesn`t mean you should sin more! Read the book of Romans.

From here on; I will be VERY strict with you Christian aryan. Think of the tragedy if your Muslims brothers truly go to Hell! It is your responsibility SINCE you are the truth, and the victors. But you do nothing about it!

A showdown of Christianity vs Islam is needed.

When Christianity was introduced to Norway there was a great showdown between the Viking priest, and the Christian priest. The test was walking on coal, and withstanding fire. God supernaturally protected the priest, and this

greatly attributed to Christianity`s success in the country. This was told in school. In comparison: Not a single Christian has ever called for a religious showdown of the 21st century; even with the modern media, and the entire WORLD at stake this time..! Their apathy is as long as their rich western asses. They are godless, and rich tv-slaves. All facts support Christianity as the victor of this hypothesized debate, or scientific-historical analysis. Also: If we compare Christianity to Islam with modern knowledge, philosophy, science and ethics: Christianity would undoubtedly win in all humanism. And: If we compare their richness of mythology, comparative mythology, mysteries, astrology, and miracles; there would be no question who`s the victor. Christianity would also win in regards to feminism, free-speech, etc. **WHY ARE CHRISTIANS AFRAID TO FIGHT, OR ASK FOR A DEBATE?** They are the victors going to Heaven, but play victims, and think it`s kind to ignore being boiled slowly to death by Islam.

Even with all scientific evidence of near-death-experiences, miracles, brain-scan, and waveform electronical measurements; Christians simply do nothing about the fact they are being murdered in the Middle-East. Give me 12 disciples, and I will make the world Christian in 200 years guaranteed. We can PROVE Christianity. Not Islam.

Yet all the Earth persecutes me more violently than any recorded historical person, and I can do nothing of the above-mentioned in my current weakened state myself. If I was well; I personally would have awakened the entire church to unity, reformed Islam as was intended by Muhammad, written all books, done the showdown of Islam vs Christianity, and cultivated national-romantic culture. I would have started a great church, a private school, and built a self-sufficient Aryo-Christian only village. My sons would be elves, and they would rule.

No Christian EVER wrote books, or held a speech on Christian supremacy, societal topics, politics, Christianity vs Islam, Christian miracles and mysteries, or how stupid Islam is historically and scientifically. There is no Christian internet forum in Norway. All the Christians I talked to sit on their rich asses, won`t join politics, won`t join Knights Templar, won`t preach, won`t evangelize, and watch sport all day. They`re too caught up in their personal salvation, and westerners are too kind. The elite are however Satanists, and sold their country to Islam long ago. They come here, and are payed for by taxes. All white countries take in hordes of Muslim immigrants. Why us? Is it because we are rich and kind? They use us. They destroy us. They don`t even care about themselves.

And all you hear from sleeping Christians is "it`s a spiritual battle, that we must love them, and never be racists." They see themselves as victims, and thus start believing political bullshit while they in TRUTH are the victors with the right to

fight and be racist. All statistics of rape, murder, and crime in all western countries support being a racist. Now I'm not a racist.

I'm simply a humanist activist. I'm for Islamic reformation, and against medieval, unscientific ideologies of f.i Islam. But you cannot say it in Church for then you are a RACIST! Muslims are racist all day long, but they're not blamed. Why? Satanic jewry owns media.

There is no national-patriotic church anywhere in any western country praising the aryan people of the sun; while as Christianity is a Luciferian sun-cult! There are however thousands of black-only cults. But whites! Nonono. You NAZI! Set/Satan worshipped was banned in all Egyptian history, but today; ALL worship the black sun, and NOBODY in the WORLD holds the worship OR codes of love OR light!

I am ashamed of even calling myself human.

In Norway; no christian cultivate national-romance; nor does any atheist. I have never once seen a nationalist in Norway. For a nationalist would wear his national clothing all year, and sit daily on the streets singing cultural, and national hymns. I have seen this once.

Yet all gullible aryan happily celebrate Independence Day on 17th of may, and believe Norway is the best, free, happiest country. Start grouping into nationalist Luciferian aryo-christian families of light and become warrior monks with my friends in Knights Templar International! If all our members wore nationalist clothes-code like they wore hats in the 50ies; we certainly would set ourselves in respect. It would be most wise. We must start loving and integrating our new countrymen; but that means removing the fiendish Islam which must reform or be regarded as an enemy to all we stand for. For we are the sun-children of the Gods of ancient times who ruled Atlantis. We uphold the ancient, eternal law of Light; the law of love. And love know no boundaries between nationalist and immigrant. Integrate them, and work writing books until you have persuaded every Muslim to be a Christian!

Islam doesn't care about our history, our language, our culture, our music, our sports, or our core-western-human-rights and values.

They suck off money from the welfare state, and it as their right to conquer Europe, and make us their sex-slaves.

Jewish-owned media, and politicians report pro-islamic propaganda, and never talk of how Christians are factually the most persecuted minority of the 21st century. The thousand beheadings of Christians received no media cover once.

Ever. The media sues Donald Trump who has accomplished more for American economy than any former president, and blames him with contact with the Russians which is all based on *lies*.

The gullible, kind, civilized, and politically brainwashed ryans think war, and religious despotism is a thing of the past. They respect their enemy who doesn't respect them back, and see us as fools. Many Muslims see us as worse than animals. Islam WILL dominate the world unless we do anything about it.

This world is about dying. Living is dying. War is the conduit of evolution, and a necessity for survival. All Christians are called to be warrior-monks. All atheists, and pagans are called to be Viking warriors. We don't have to wage a war of swords; but one of words. We should pertain to be warriors, and see ourselves as important victors. Thus all Europe is called to be warriors.
